Jouw gouden toekomst Louise Hay 2017-09-27 Dit boek wil je helpen om van de rest van je leven de mooiste en meest vervullende tijd van je leven te maken. Het is eigenlijk een vervolg op Je kunt je leven helen en Gebruik je innerlijke kracht. Vaak wordt me gevraagd hoe we nu en in de toekomst het meeste uit onszelf kunnen halen, ondanks onze voorgeschiedenis en wat ons is 'aangedaan'. De vragenstellers zijn mensen die hun leven veranderen door hun manier van denken te veranderen. Zij laten oude, negatieve patronen en overtuigingen los. Daarnaast leren ze om meer van zichzelf te houden. Ik heb dit boek losjes chronologisch opgezet, zodat het de ervaringen weerspiegelt die je tijdens je leven hebt. In het begin van het boek bespreek ik ervaringen die je hebt als je jong bent (je jeugd, relaties, werk, enzovoort). Later behandel ik onderwerpen die te maken hebben met ouder worden.

The Girl She Used to Be David Cristofano 2009-03-19 In this "[i]ntense, romantic debut," a woman who has lost her identity to the Witness Protection Program flirts with trusting her life to the Mafioso hired to kill her (Publisher's Weekly). When Melody

Grace McCartney was six years old, she and her parents witnessed an act of violence so brutal that it changed their lives forever. The federal government lured them into the Witness Protection Program with the promise of safety, and they went gratefully. But the program took Melody's name, her home, her innocence, and, ultimately, her family. She's been May Adams, Karen Smith, Anne Johnson, and countless others--everyone but the one person she longs to be: herself. So when the feds spirit her off to begin yet another new life in another town, she's stunned when a man confronts her and calls her by her real name. Jonathan Bovaro, the mafioso sent to hunt her down, knows her, the real her, and it's a dangerous thrill that Melody can't resist. He's insistent that she's just a pawn in the government's war against the Bovaro family. But can she trust her life and her identity to this vicious stranger whose acts of violence are legendary?

The Entrepreneur's Guide to Law and Strategy Constance E. Bagley 2017-02-21

Business Insider calls *The ENTREPRENEUR'S GUIDE* "perhaps the most useful business book you can ever read" and lists it among twenty-five must-read books for entrepreneurs. *THE ENTREPRENEUR'S GUIDE TO LAW AND STRATEGY, 5E* examines stages of starting a business -- from start-up and growth to public offering, while highlighting legal preparations and pitfalls. Cutting-edge examples show how legally astute entrepreneurs can strategically increase realizable value, deploy resources, and manage risk. The book discusses leaving a job, hiring former coworkers, competing with a former employer, workplace legislation, product liability, and bankruptcy. You examine current issues including today's workforce in the "gig" economy, "crowdsourcing" capital and social media, computer hacking and identity theft. Legal discussion integrates with core strategic concepts, such as Porter's Five Forces, the resource-based view of the firm, the value proposition, activities in the value chain and more. The Way of the Well Dr. Elisa Robyn 2003-03-10 "Everything that has happened to you, every life choice you have made, every road you have traveled has led without deviation to this point, to this moment. I have known who you were for years, even watched you as you grew. When I saw your face in the wine glass at the new moon I knew you were ready and it was time to contact you. The final choice is yours. I offer to guide you to the path of your divine purpose, but only you can take the first step, only you can commit to the journey." These words from the old woman in the synagogue begin the adventure of Rachel Cohen's life; a journey that will take her through the ten gateways that guard Miriam's Well. In the classic tradition of a heroine's journey she finds friends and mentors, challenges and dangers, family and romance, and her life purpose. A richly written spiritual romance, with real characters and surprising twists.

Lilac Mines Cheryl Klein 2009-06-01 "Klein's characters are compelling, one and all."—San Diego Union-Tribune "A quirky, quickly paced story of a young woman ending a relationship with a young woman then developing a relationship with another young woman: herself. Klein's first book, *The Commuters*, was a fine debut. Second books aren't necessarily as good. In this case, it's better."--Noel Alumit, *Frontiers* Felix Ketay, a twenty-five-year-old Los Angeles dyke, has her foundations shaken when she's ditched by her pomosexual girlfriend and then gay-bashed on the streets of West Hollywood. Felix's old-school lesbian aunt, Anna Lisa Hill, ran away from home in 1965 at age nineteen and ended up in Lilac Mines, a small town in California's Sierra Nevada foothills with a small but tight-knit butch/femme community. When Felix joins her aunt in Lilac Mines hoping to discover a place of respite, Anna Lisa proves stand-offish, so Felix devotes herself to investigating the town's one hundred-year-old mystery: the disappearance of sixteen-year-old Lilac Ambrose in the mine shafts that run beneath the mountain. Felix learns that finding an authentic history is never easy, but Lilac Mines—with its abandoned mines, unknowable secrets, and the occasional quirky-cute thrift store employee—might not be such a bad place to try. Cheryl Klein is a shameless Angeleno, quiet pescatarian, and shameful tabloid reader. She lives in Los Angeles where she is West Coast director of Poets & Writers, Inc.

The Best Business Stories of the Year: 2002 Edition Andrew Leckey 2010-02-10 "[The editors] cast their net wide, picking up some excellent stories from nontraditional sources that even avid readers of the business press may have missed."—USA Today, on the 2001 edition Series editor Andrew Leckey and guest editor Ken Auletta have scoured the print media, consulted with the editors of major business and general interest publications, and surveyed journalism school deans to find the best business stories from the last twelve months. Among those selected: Michael Lewis on teenage stock trader Jonathan Lebed, from *The New York Times Magazine*; James B. Stewart on the irrepressible Michael Milken, from *The New Yorker*; and many others from the pages of *The Wall Street Journal*, *Rolling Stone*, *Fortune*, *Rocky Mountain News*, and *Wired*. The second annual edition continues the excellence and comprehensive range of this fascinating anthology series.

Romancing the Bible Stanley Kimmel Kesselman 2006-01-01

Alles wat overblijft Elizabeth Haynes 2013-10-24 Annabel zou zichzelf nooit omschrijven als eenzaam. Ze heeft het druk met haar baan bij de politie, haar kat en haar oude moeder. Maar wanneer ze het half vergane lichaam ontdekt van een buurvrouw die al maanden dood in huis ligt, is ze geschokt dat niemand heeft opgemerkt dat de vrouw was verdwenen. Op haar werk besluit ze onderzoek te doen naar eenzame doden, en ze ontdekt dat dit in haar stad vaker voorkomt dan ze ooit had kunnen vermoeden. En in verhouding tot andere delen van het land onrustbarend veel vaker

De dood van Harriet Monckton Elizabeth Haynes 2020-02-04 1843. Harriet Monckton wordt dood aangetroffen. Vergiftigd of door eigen hand? Ze bleek verwickeld te zijn in diverse relaties maar ook haar goede vriendin Frances is verdachte in deze zaak. Elizabeth Haynes heeft met De dood van Harriet Monckton haar meesterwerk geschreven. In november 1843 wordt de 23-jarige lerares Harriet Monckton dood gevonden achter de kapel in Bromley die ze regelmatig bezocht. Het dorp is geschokt, helemaal wanneer het autopsierapport vermeldt dat ze zwanger was. Harriet bleek verwickeld te zijn in relaties met ten minste drie mannen, maar ook haar goede vriendin Frances wordt gezien als verdachte in deze moordzaak. Wie heeft Harriet vermoord en wie is de vader van haar ongebooren kind? Elizabeth Haynes schreef vier psychologische thrillers die wereldwijd vertaald zijn en waarvoor ze diverse prijzen won. De dood van Harriet Monckton is gebaseerd op historische feiten.

The Experimental Society Marshall S. Shapo 2015-12-17 This book examines society's responses to many kinds of experimentation, focusing on both creation of and assessment of risks. As people seek new ways to make their lives safer and happier, the widespread process of experimentation claims victims. Some of these are people who directly and willingly accept the risks of experiments. By comparison, some are effectively experimental subjects in the hands of others who often may not even think of themselves as experimenting with the lives of consumers. The Experimental Society covers a wide spectrum of products and activities, including those that radiate into the environment like nuclear power, hydrofracking, and asbestos. The book spotlights prescription drugs and substances used in the most ordinary consumer products such as salt, caffeine, and BPA in sippy cups. It also discusses the testing of new ways of thinking, including those related to social organization and processes, and even the law itself. A particular concern is the case in which the subjects of experiments are unaware that the experiments are taking place. This lucidly written volume will be useful to practicing lawyers who specialize in personal injury law, and law professors who teach such subjects as torts and products liability, medicine, and science. Physicians and scientists in various branches of medicine will find it provocative, as will political scientists, economists, sociologists, anthropologists, and philosophers.

The Software Encyclopedia 1988

Kiplinger's Personal Finance 1997-02 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

The Ping Pong Conspiracy Bill Waddell 2005-08 We consider the first-time author of the ms a 'reporter', rather than an author. His supposedly fictitious tale of the CIA's con of \$22 Billion from the state lottery systems is almost to realistic to not be partly true.

New York Magazine 1993-11-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
