Solidarity Politics for Millennials A. Hancock 2011-08-29 This book takes the political theory of intersectionality - the most cutting-edge approach to the politics of gender, race, sexual orientation, and class - and introduces it to the general public for the first time.

The Meaning of Missional Dick Wiedenheft 2018-09-17 Confusion abounds regarding what it means to be missional. Is it about social action? An emphasis on outreach? Being organic instead of program-driven? This book provides succinct, clearly written, and biblical answers. With the theological insight of a scholar and the warm personal illustrations of a pastor, Dick Wiedenheft shares insights and experiences gained over his own fifteen-year missional journey. -What does missional mean? -Why is it important? -How will it change my life or my church? -What are some simple ways to begin? After reading this book, you will know what it means to be missional, why becoming missional is so important, and what practical steps you can take to begin.

How to Pioneer: A five-step guide to getting started Dave Male 2017-12-01 This five-part group study booklet is for local church communities who are contemplating setting up a pioneering church community, but are unsure how to get going. It opens up the wise insights and practical know-how of Dave Male's book 'How to Pioneer' to the wider church, introducing the basics of pioneer ministry to PCCs and congregations.

Simple Compassion Keri Wyatt Kent 2009-10-06 Every woman longs to make a difference in her world, but sometimes the needs just seem too big and the days are already too full of errands and obligations. This fifty-two-week devotional offers fresh inspiration and encourages every woman to see that she is uniquely gifted by God to make a difference right where she is. Poignant stories and powerful Bible passages demonstrate that small acts of compassion matter to God. Along with gaining a clear vision of God's heart for the poor and marginalized, readers are challenged to nurture the twelve characteristics of women who overflow with creative compassion. Each weekly devotional reading includes principles and action steps for carrying God's love and grace to those in need. As readers are equipped and motivated to put their faith into action, they'll find their eyes and hearts opened to countless opportunities to carry out small acts of compassion and justice in the midst of daily living. Simple Compassion infuses women with the confidence that they can change the world, one life at a time.

Soul Whisperer Gary Comer 2013-02-19 What if we changed the face of evangelism? In a time when so many have a negative perception of evangelism, what if a new model was entirely biblical, loaded with skills, and more effective? Soul Whisperer shifts the emphasis from "telling" to a "drawing" paradigm. It develops biblically the pattern of Jesus, who did not give static presentations but rather customized his words to each hearer. By learning his ways, our words, too, can have pinpointed impact! Christians will discover how to draw out first, in order to read their friends and discern the relevant appeal of the gospel. In this way, the style is far more dynamic. It adapts! Understanding the non-believer's unique starting point will determine a distinct path. By creating a conversation about spiritual influence and what is involved in faith formation, this book charts ways for Christians to go deeper in evangelistic relationships. Most importantly, Soul Whisperer infuses skills that will shape a more Christ-likened missional disciple.

2000 Guide to ACA-Accredited Camps American Camping Association Staff 2000 The camps listed in this directory have met or exceeded industry standards for safety, programming, staffing, health care, food service, and more. Camps are available for children of all ages, as well as families, seniors, single adults, and other groups who need a facility for a reunion, business seminar, or company picnic. The 2,000-plus camps referenced are listed by state, clientele served, and special activities and programs offered. Each listing includes information on length of sessions (day or residential), religious affiliation if any, types of housing provided, fees, and transportation available.

Generations of Faith Resource Manual John Roberto 2005-07 This invaluable resource offers planning processes and practical tools for fashioning and implementing a lifelong curriculum. Includes a CD-ROM with PowerPoint presentations for each chapter as well as worksheets and handouts.

The Human Church Paul O. Bischoff 2018-05-29 The church doesn't need to be more spiritual. It needs to become more human. Since God decided becoming human was right, so must the church. Jesus' language was consistently understood by nonreligious people. Elitist in-house church language may never reach the growing number of Americans without a religious background who have given up on God. This book views the church as a unique people-group and the reader as an anthropologist. Employing basic ethnographic methods, the reader looks at the church again for the first time without a religious lens. Based upon the premise that all good theology emerges from good anthropology, the book first considers the rituals celebrated around the symbols of a manger, cross, bread, wine, and tomb. Such symbols then become the basis for theological interpretation. Dietrich Bonhoeffer is the reader's conversation partner to help make the theological journey from human community to church, manger to incarnation, cross to redemption, and tomb to resurrection. The church will flourish in the twenty-first century to the degree that it proclaims the Gospel using nonreligious language with a human accent.

Launch Point: Community Group Mission Guide Gary Comer 2014-01-21 What if Small Groups Embarked on Mission Together . . . In Their Own Backyards? Whereas small groups have traditionally focused internally, many Christians nowadays are hungering for much more! Seeking to make a difference where they live, Christians desire mission. The Community Group Mission Series focuses eight weeks of training--to launch groups in a dynamic mission trajectory! Each group will engage holistically, showing the love of Christ and making disciples. Relationally angled, this series leads groups to assimilate the mission skill set of Jesus. Hold on! The stories of God are yet to be written. Who knows what God will do in the lives of your neighbors . . . your group . . . and your church?! Session Titles: 1. The Soul of Mission 2. When Faith Is Fantastic 3. Learning the Faith Formation Process 4. Getting Real for the Gospel 5. The Gospel and Its Key 6. Discerning Belief Barriers 7. Coming Home to Jesus 8. What Jesus Co-missioned Us to Do

Small Is Big, Slow Is Fast Caesar Kalinowski 2014-10-28 You don't need to have the talents of a rock star or the wisdom of Yoda to effectively and naturally live a life on mission with God. And you do not have to add a big list of new activities to your life! Instead, it is the everyday ordinary things done with greater gospel-intentionality...slowly over time...that make all the difference. Biblical and super practical, Small Is Big, Slow Is Fast helps readers respond to Jesus' call to each of us to be a missionary right where we live—in our own families and neighborhoods. It shows you step by step the essential elements that create environments for organic kingdom growth and multiplication. Whether you're looking to lead your own family or are taking first steps toward starting a church that has discipleship and mission at its core, you will discover the secret to starting out small and going (seemingly) slower—and not feeling guilty about it. And you'll be encouraged to trust that when you lay the right foundations, multi-plication will occur and will always be "faster" and more successful in the long run.

Jesus Daryl L. Smith 2013-04-01 This book is for anyone willing to gather in a coffee shop or sports bar--wherever friends can talk openly about issues that make a difference. In that setting we can take the writings of people who were with Jesus--ate meals beside him, trekked the dusty

roads in his shadow, watched him live and die--and get a peek at the real man. This book is NOT for those who have answered all of life's questions or hope to change someone else's mind. But it's probably for you. So pull up a stool, grab your favorite drink, and look again (or for the first time) at this man Jesus.

Make Or Break Your Church in 365 Days Paul D. Borden 2012 Clear plans for the daily tasks of effectively leading a congregation.

A Guide to Christian Spiritual Formation Evan B. Howard 2018-01-16 Evan Howard, a noted authority on Christian spirituality, provides a holistic, accessible, and informed introduction to Christian spiritual formation written from a broadly evangelical perspective. Howard joins Scripture with themes of community, spirit, formation, and mission in a single integrative guide. The book includes helpful features such as figures, charts, chapter overviews, and formation-focused questions. Its evangelical-ecumenical and global perspectives will appeal to a wide audience.

Resources for professors and students are available through Baker Academic's Textbook eSources.

Models of Evangelism Priscilla Pope-Levison 2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures. This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism, whether it's through one-on-one conversations, social media, social justice, or the liturgy of worship services. At once biblical, theological, historical, and practical, this book by a seasoned scholar offers an engaging, well-researched, and well-organized presentation and analysis of eight models of evangelism. Covering a breadth of approaches--from personal evangelism to media evangelism and everything in between--Priscilla Pope-Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention. Each chapter introduces and assesses a model biblically, theologically, historically, and practically, allowing for easy comparison across the board. The book also includes end-of-chapter study questions to further help readers interact with each model.

Crossroads Robert J. A. Doornenbal 2012

No Silver Bullets Daniel Im 2017-09-01 What if I told you that you were only one step away from unlocking new levels of maturity and growth in your church? The myth of the silver bullet still exists because we desperately want it to. We all prefer quick fixes and bandage solutions to the long, hard, slow work that produces real change. So the moment we learn about a new ministry or strategy and see its effect in another church, we run to implement it in our own. Unfortunately, this impulse is usually met by opposition, skepticism, and ultimately, rejection. What if the solution isn't a new model or a complicated strategy, but a shift in perspective? What if you could keep your church's current vision, values, and model, and simply make a few micro-shifts...leading to macro-changes? This book explores five micro-shifts that have the potential to produce macro-changes in your church. As you read, you will discover how to integrate these micro-shifts into the life of your church, starting with the way you disciple. You will finish by developing a plan to structure, communicate, and evaluate these changes to ensure that they take root and pave the way for lasting change and kingdom impact.

God in Story Brian D. Babcock 2013-04-01 Whether you've ever been to church, read the Bible, or know about Jesus, you've probably had thoughts about God. You may have wondered whether God exists or what God is like. We get to know humans through personal experience, what others say about them, or what people say about themselves. The same is true with God. This book examines stories in the Old Testament to help us catch a glimpse of this God--and how God interacted with humans from the moment life began until Jesus came on the earthly scene. So if you're willing to gather in a coffee shop or sports bar--anywhere friends can talk about issues that make a difference--this might be the time to grab your favorite drink and jump in.

Missional Small Groups (Allelon Missional Series) M. Scott Boren 2010-07-01 Small groups are a great place to connect with other churchgoers, but many wonder, is this all there is? Is sitting in a living room, talking about a book or watching a video the extent of what we can do together? Isn't being a Christian community about something more than this? Pastor and author Scott Boren thinks so. In this latest release from missional thinktank Allelon, Boren gives leaders and members of small groups the tools they need to make an impact on their communities. Beginning with a gentle critique of current small group models, Boren goes on to show how a uniquely Christian paradigm can set groups free to transform their communities. The final section of the book offers over twenty practices that groups can do to become more missional. Ultimately Missional Small Groups is about helping groups follow Jesus by equipping them to bring his message and healing to a hurting world.

Places of the Underground Railroad: A Geographical Guide Tom Calarco 2010-12-03 This up-to-date compilation details the most significant stops along the Underground Railroad. • Approximately 75 A–Z entries cover the most significant stations on the Underground Railroad • Illustrations and maps help readers envision routes and strategies of railroad "conductors" • Interactive sidebars offer a firsthand glimpse into the arduous nature of Underground Railroad journeys, the decisions made, and the plans involved • Primary source letters and diary entries detail actual incidents that took place • A chronology includes important events related to the Underground Railroad from the Colonial Period to the Civil War • Suggested reading sections after each entry and a general print and nonprint bibliography act as a guide for further research

The Good Soil Process: A Backyard Missional Field Guide Keith Tilley 2010-06-16 The Good Soil Process is a seasonal approach to effective missional disciple making. This "field guide" follows the annual Christian calendar and leads followers of Jesus towards vibrant, adventurous lives of faith. All of God's children are participants in God's amazing mission in the world. This field guide attempts to help the church reorient itself outward, as missionaries in our own backyards. The four annual seasons of engagement are Discern, Design, Develop and Delight.

Guide to ACA-Accredited Camps (1999 Edition) American Camping Association 1999-03 This trusted resource covers 2,000-plus camps that have been accredited by the American Camping Association, helping find the best locations for the readers' interests, pocketbooks, and busy schedules. 30 photos. Map.

The Church as Movement JR Woodward 2016-07-14 JR Woodward and Dan White Jr. have trained church planters all over North America. In this interactive field manual, they help you and your team gain eight key competencies crucial for church planting so that you can create churches that flourish and launch their own sustainable missional and incarnational congregations.

AND Hugh Halter 2010-04-27 What is happening to the church in America today? By all appearances, it looks like we are "doing" church better than we ever have. Our programs are effective, our pastors are relevant, and our buildings are increasing in size. In the past 30 years the number of mega-churches has increased from under 100 to over 7,500. In the past 10 years the number of multi-site churches has increased from under 100 to over 2,000. By the numbers, these church movements enjoy the national platform, the national voice, and the resources to profoundly impact the Kingdom. But to what end? In spite of the rapid growth of these prevailing church movements we are still losing ground, and the church in the west is in massive decline. Numerous studies and books have been written documenting the flight of members from the institutional church. Yet the local church is Jesus' plan for reaching the world. The strength of the mega-church and multi-site models can be found in a strong emphasis on attracting people to the church, where they have an opportunity to encounter Jesus Christ. Yet many younger leaders are rejecting this model in favor of a more incarnational approach to ministry. These missional communities tend to focus their attention on trying to release people into ministry. In recent years a growing schism has emerged between those calling themselves incarnational leaders and those leading the prevailing church models. But what if we were able to incorporate the insights of both models into a cohesive understanding of the church? Can we bring together the very best of the attractional AND missional models for church ministry? What is needed is not another book about how to do church better. Our focus on the form church is misguided when the vast majority of unchurched Christians and non-believers aren't moving toward any form of church. Beautifully Sent will give permission for leaders to value existing church forms while catalyzing a missional movement of incarnational people into the world.

The Rough Guide to Denmark Rough Guides 2010-06-01 The Rough Guide to Denmark is the essential travel guide to one of Europe's most appealing destinations with coverage of all the unmissable Danish attractions. From the stunning baroque waterside palace Valdemars Slot and cosmopolitan Copenhagen to the abundance of fascinating historic sites from Viking fortresses to royal castles, discover Denmark's highlights inspired by dozens of photos. Make the most of your holiday with The Rough Guide to Denmark.

The Manhattan Nobody Knows William B. Helmreich 2018-12-04 A unique walking guide to Manhattan, from the author of The New York Nobody Knows. --Amazon.com.

The Tangible Kingdom Primer Hugh Halter 2009

Disruption Mark DeYmaz 2017-03-07 Well-meaning church leaders and planters often set out to radically transform their communities for Christ-kingdom causes. Their aspirations and visions are limitless. However, often the best-laid plans fail to yield results of any consequence—they become frustrated, and pull the plug leaving behind the remnants of all their best intentions. Does it have to be this way? Is it possible for a local church to become so influential in its community that it becomes a life-giving agent for believers and non-believers? A resource that becomes the catalyst whereby abandoned buildings are repurposed, small businesses attracted, jobs created, crime reduced, justice progressed, health improved, and ultimately, the kingdom of God advanced in such a way that it impacts the every corner of the community? In Disruption: Repurposing the Church to Redeem the Community, Dr. Mark DeYmaz explains why such an outlook is not only possible but essential for the church to gain credibility and relevance in the community it seeks to influence. Genuine transformation never occurs through maintaining the status quo. A Disruption is often the missing ingredient that moves the church from ineffective to radically transformative.

The Emotionally Healthy Church, Updated and Expanded Edition Peter Scazzero 2013-05-23 "In this new edition of his Gold Medallion Award-winning book, Peter Scazzero shares powerful insights on how contemplative spirituality can help pastors and individual church member slow down—an integral key to spiritual and emotional health. Sharing from the painful but liberating journey of his own church, Scazzero reveals exactly how the truth can and does make people free—not just superficially, but deep down. This expanded edition of The Emotionally Healthy Church not only takes the six principles described in the original book further and deeper, but adds a crucial seventh principle. • Principle 1: Look Beneath the Surface • Principle 2: Break the Power of the Past • Principle 3: Live in Brokenness and Vulnerability • Principle 4: Receive the Gift of Limits • Principle 5: Embrace Grieving and Loss • Principle 6: Make Incarnation Your Model for Loving Well • Principle 7: Slow Down to Lead with Integrity "

The Rough Guide to India David Abram 2003 The guide to India is a useful handbook to an extraordinary country. The introductory colour section includes photography of the country's many highlights in the 42 Things Not To Miss section, from boating on the backwaters of Kerala to taking in a cricket match at the Oval Maiden in Mumbai. It provides comprehensive accounts of every attraction from the vibrant cities and elaborate temples to Himalayan peaks and palm-fringed beaches. There is also practical advice on activities as diverse as camel trekking in the Rajasthan desert, rafting on the Indus and hiking through the lunar landscapes of Ladakh. The listings sections provide hundreds of insider reviews of the best hotels, hostels, restaurants, bars, shops and museums in every city and village. The authors also give an informed insight into India's history, politics, religion, music and cinema, providing a valuable context to the reader's trip.

What Jesus Co-missioned Us to Do

The Church As Learning Community Norma Cook Everist 2010-10-01 Norma Cook Everist contends that it is meaningful to say that in ministries of administration, outreach, and pastoral care, the church is functioning as a learning community. Whenever and wherever Christians are being formed into the image of Jesus Christ through ministry, there Christian education is taking place. Christian education is the name we give to that process of formation. Building on this central insight, Everist has written a major new introduction to the tasks and practices of Christian education. Part 1 of the book focuses broadly on what it means to be the church in the world. Part 2 shows how being a learning community requires ongoing growth in faith throughout the span of life. Part 3 shifts focus to the church as it moves into the community and world.

Presbyterian Worship J. Dudley Weaver, Jr. 2002-01-01 Writing from the perspective of the parish pastor, Presbyterian pastor J. Dudley Weaver Jr. presents a complete and accessible overview of Reformed worship. Weaver moves from the history and theology behind Reformed worship to practical information for clergy, including help for planning worship, celebrating the dates of the church year, and working with others in the congregation to plan the liturgy. This concise handbook is ideal for all clergy in Presbyterian and Reformed churches.

Worshiping in the Small Membership Church Robin Knowles Wallace 2008 Offers pastors new inspiration and fresh worship encounters with God. Worship is the most important time in the life of the gathered faithful. Inspirational and accessible, this book will help pastors and worship leaders fully ground worship in scripture and tradition while being responsive to current times. Included: practical worship helps for the Christian year, tips to involve the congregation in leadership and participation, ways to incorporate music and other arts in worship, and select ideas for congregations of up to one hundred. A sample basic worship library

The Great Commission The Solution . . . (Study Guide) Raymond F. Culpepper 2009

A Field Guide for Genuine Community Ben Connelly 2021-07-06 I'm surrounded by people at church . . . so why do I feel so alone? You show up at church every Sunday. You see people you know. You listen to a sermon together. And then you go home feeling just as isolated as you did before. What's going on? We all know that a church is supposed to be a community. The trick is to actually make it one. Communities don't happen by chance—certainly not in our Lone Ranger culture that values independence and individualism. A truly Christian community must be built by intentional practices that allow for deeper connections, centered on the unity that can only be found in Christ. In A Field Guide for Genuine Community, longtime pastor and discipleship trainer Ben Connelly shows you that the biblical model for community is the family of God. In twenty-five short, practical readings, he takes you beyond the surface and helps you learn to connect with your brothers and sisters as true family members. The church isn't meant to be a collection of strangers. God intends for you to find a unified and purposeful household where you truly belong.

The Missional Church Planter A Guide for The 21st Century Church Planter Bob Alonge

The Living Church 1952

Planting Missional Churches Ed Stetzer 2016-05-01 Planting a church is one of the most exciting adventures you'll ever embark on. It's also one of the hardest. It requires initiative, leadership, strategy, systems, and a lot of prayer. In this second edition of Planting Missional Churches, not only will you find a completely redesigned book with new content in every single chapter, but you will also find several new chapters on topics such as church multiplication, residencies, multi-ethnic ministry, multisite, denominations and networks, and spiritual leadership. So if you're planting a church, be prepared. Use this book as a guide to build the needed ministry areas so that you can multiply over and over again. For additional resources visit www.newchurches.com/PMC.

Barefoot Study Guide Sharon Garlough Brown 2019-03-05 In this study guide for Barefoot, the third book of the Sensible Shoes series, you'll find twelve weeks of daily Scripture readings, reflection questions, and invitations to prayer, with weekly discussion questions and practices for

groups to do together. Each week also features a list of spiritual disciplines used by the characters that you can incorporate into your own life with God.

Missional. Monastic. Mainline. Elaine A. Heath 2014-01-30 Here is the long-awaited volume that provides both the theoretical foundations and practical guidance for developing new monastic and missional communities in contexts that are theologically progressive, racially and economically diverse, and multicultural. This book contains the wisdom and perspectives of people who live and serve in missional, new monastic communities in United Methodist and other mainline traditions, and it describes new forms of theological education that are emerging to resource a new generation of Christian leaders. Heath and Duggins challenge Methodists, Lutherans, Episcopalians, Presbyterians, and other Christians to reach into their own robust, mainline heritage for resources to develop small, intentional communities that practice a rigorous life of prayer, hospitality, and justice.
