Love You to Death Meg Cabot 2009-08-21 Love You to Death is the first book in Meg Cabot's thrilling The Mediator series, followed by High Stakes, Mean Spirits, Young Blood, Grave Doubts and Heaven Sent. Being a mediator doesn't exactly make Susannah Simon your typical sixteen-year-old. Her job is to ease the path for the unhappy dead to their final resting place. Not all ghouls want to be guided, but Suze is inclined to kick some serious ghost butt if she has to. Now she's moved to California with her new stepfamily and is starting out at a brand-new school. From her first day, her mediator skills are tested to the max when Suze finds herself the target of the murderous spirit of ex-class beauty, Heather. At least she's sharing her new bedroom with Jesse, who just happens to be the hottest ghost in history. Suze is totally warm for his form and is determined to win the heart of the sexiest spirit in town. But can this

girl get her ghost?

Remembrance Meg Cabot 2016-02-02 Fifteen years after the release of the first Mediator novel, #1 New York Times bestselling author Meg Cabot returns with a deliciously sexy new entry to a fan-favorite series. Suze Simon—all grown up and engaged to her once-ghostly soulmate—faces a vengeful spirit and an old enemy bent on ending Suze's wedded bliss before it begins. You can take the boy out of the darkness. But you can't take the darkness out of the boy. All Susannah Simon wants is to make a good impression at her first job since graduating from college (and since becoming engaged to Dr. Jesse de Silva). But when she's hired as a guidance counselor at her alma mater, she stumbles across a decade-old murder, and soon ancient history isn't all that's coming back to haunt her. Old ghosts as well as new ones are coming out of the woodwork, some to test her, some to vex her, and it isn't only because she's a mediator, gifted with second sight. From a sophomore haunted by the murderous specter of a child, to ghosts of a very different kind—including Paul Slater, Suze's ex, who shows up to make a bargain Suze is certain must have come from the Devil himself—Suze isn't sure she'll make it through the semester, let alone to her wedding night. Suze is used to striking first and asking questions later. But what happens when ghosts from her past—including one she found nearly impossible to resist—strike first? What happens when old ghosts come back to haunt you? If you're a mediator, you might have to kick a little ass.

Ransom My Heart Meg Cabot 2011-02-28 When beautiful, spirited Finnula Crais kidnaps the dashing knight Hugh Fitzstephen, she has no idea that she's ensnared the new Earl of Stephensgate on his way home from the Crusades. With Finnula determined to hold Hugh to ransom, and Hugh equally determined to steal Finnula's heart, it isn't long before the fireworks start! And just when it looks as if there might be a happy ending, disaster strikes. When an attempt is made on the new Earl's life, there is only one suspect – and even if he loves her dearly, Hugh can't let her get away with it . . . Ransom My Heart is a risqué historical romance written by Princess Mia Thermopolis of Genovia (with a little help from Meg Cabot), as featured in The Princess Diaries series.

Royal Wedding Meg Cabot 2015-07-02 From Meg Cabot, the #1 New York Times bestselling author of the Princess Diaries series, comes the very first New Adult instalment, featuring the now grown-up Princess Mia! Royal Wedding follows Princess Mia and her Prince Charming as they plan their fairy tale wedding – but a few poisoned apples could turn this happily-ever-after into a royal nightmare. For Princess Mia, the past five years since college graduation have been a whirlwind of activity, what with living in New York City, running her new teen community centre, being madly in love, and attending royal engagements. And speaking of engagements, Mia's gorgeous longtime boyfriend Michael managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn't need to consult her diary to know that her answer was a royal oui. But now Mia has a scandal of majestic proportions to contend with: Her grandmother's leaked 'fake' wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia's father from the throne, all because of a royal secret that could leave Genovia without a monarch. Can Mia prove to everyone – especially herself – that she's not only ready to wed, but ready to rule as well?

She was ruled by her head... Only one thing stood between Edward, Lord Rawlings, and a life of rakish debauchery: a spinster. Even worse, a liberal, educated vicar's daughter, guardian to ten-year-old Jeremy, the true heir to the title Edward did not want. If Jeremy would not assume dukedom, Edward must, a fate of dire responsibility and utter boredom. But this time, her heart was taking the reins. Since there had never been a female his lordship couldn't charm, Edward was sure he would win over the old girl. But Pegeen MacDougal was neither old, nor a girl—she was all woman, with a prickly tongue, infernal green eyes and a buried sensuality that drove him mad. Unfortunately, she loathed him and his class for their fripperies and complete disregard for the less fortunate. But for the sake of the boy, she agreed to accompany him back to his estate. The rise was quickly apparent. For Pegeen knew she could resist Edward's money, his power, his position...his entire world. It was his kiss, however, that promised to be her undoing...
