Contrary to Popular Belief: A Chronicle of a Progressive in Indiana Michael Leppert 2020-07-07 n the spring of 2014, Leppert started writing a blog. It was the usual kind of blog being written for the usual kinds of reasons. But a funny thing happened when he took a couple of risks with his writing: he got away with it. And then he took his gloves off for good. Within a year, his "blog" was elevated to a "column" and began showing up in mainstream publications throughout Indiana. After publishing more than a hundred installments, a group of recurring political and cultural themes began to emerge. From RFRA and guns, to the economy and parenting, Leppert takes a provocative view on all of it. Contrary To Popular Belief gives the real reasons why and from where his opinions are based. It is a chronicle being released purposely in summer of 2016 for readers to use as a guide during a historically chaotic political season.

American Culture in the 1980s Graham Thompson 2007-03-13 This book looks beyond the common label of 'Ronald Reagan's America' to chart the complex intersection of cultures in the 1980s. In doing so it provides an insightful account of the major cultural forms of 1980s America - literature and drama; film and television; music and performance; art and photography - and influential texts and trends of the decade: from White Noise to Wall Street, from Silicon Valley to MTV, and from Madonna to Cindy Sherman. A focused chapter considers the changing dynamics of American culture in an increasingly globalised marketplace.

Vind ik leuk?! Holly Bourne 2018-07-03 Iedereen trouwt, krijgt baby's, koopt huizen. Timelines vol succes. Maar niet voor Tori... Gelukkig. En ineens ben je dertig. Je tijdlijn is een lange opsomming van aanzoeken, zwangerschapsaankondigingen en foto's van pas gekochte huizen. Dertig worden lijkt wel een stoelendans: zodra de muziek stopt, kiest iedereen de dichtstbijzijnde plek om zich te settelen met iemand die toevallig ook aan het spel meedoet. Maar Tori niet. Ze heeft al aardig wat bereikt voor haar dertigste: een bestseller op haar naam en duizenden fans, online en offline. Maar haar best-wel-oké vriendje is eigenlijk heel saai. En wanneer haar beste vriendin óók opeens verliefd wordt, begint Tori te twifelen. Tori vult haar dagen met twitteren, YouTube en bedenken waarom iedereen – behalve zij – voor dit huisje-boompje-beestje-ideaal lijkt te gaan. Zijn ze bang de boot te missen? Of is zij degene die de memo heeft gemist? Als iedereen om je heen hetzelfde doet, en de klok keihard tikt, wat doe je dan?

Waar het licht is Jennifer Niven 2015-04-13 Theodore Finch is gefascineerd door de dood en wil een einde aan zijn leven maken, maar elke keer gebeurt er iets waardoor hij het toch niet doet. Violet Markey telt de dagen af tot haar diploma-uitreiking, zodat ze het bekrompen stadje waar ze opgroeit voorgoed achter zich kan laten en niet langer geconfronteerd hoeft te worden met de pijnlijke herinneringen aan haar gestorven zus. Wanneer Finch en Violet elkaar op de rand van de hoge klokkentoren op school ontmoeten, is het niet helemaal duidelijk wie wie redt. Maar vanaf dat moment groeit er iets van vriendschap tussen hen. Langzaam maar zeker geven ze hun geheimen aan elkaar prijs: Violet ontdekt dat Finch niet de enge freak is waar iedereen hem voor houdt en Finch leert Violet weer van het leven te houden. Violet bewaart Finch' geheim

angstvallig, maar kent zij wel al zijn geheimen?

Hazelwoud Melissa Albert 2018-01-30 De zeventienjarige Alice heeft het grootste deel van haar leven samen met haar moeder reizend doorgebracht om het ongeluk voor te blijven. Wanneer haar oma, auteur van een duister sprookjesboek, op haar landgoed Het Hazelwoud overlijdt en haar moeder wordt ontvoerd door een figuur die zegt dat hij uit Hinterland - de wereld van haar oma's verhalen - komt, zit er maar één ding op: ze moet hulp vragen aan super-Hinterland-fan Ellery Finch en afreizen naar Het Hazelwoud. Zal ze er daar achter komen hoe háár verhaal begon?

1966 Jon Savage 2015-11-17 WINNER OF THE PENDERYN MUSIC PRIZE A GUARDIAN MUSIC BOOK OF THE YEAR, 2015 Award-winning, Sunday Times bestselling author Jon Savage's monument to the year that shaped the future of global pop cultural history. In America, in London, in Amsterdam, in Paris, revolutionary ideas fomenting since the late 1950s reached boiling point, culminating in a year in which the transient pop moment burst forth. Exploring the canonical figures, from The Beatles and Boty to Warhol and Reagan, 1966 delves deep into the social and cultural heart of the decade through masterfully compiled archival primary sources. 'A marvel of hisotrical reconstruction and pop insight.' OBSERVER 'Absorbing . . . this is not only fine pop writing, but social history of a high order.' GUARDIAN 'Savage is rightly regarded as one of the finest cultural critics of the past 40 years . . . an enthralling, exhiliarting read.' IRISH TIMES 'Exceptional.' MOJO

The Death of Cool Gavin McInnes 2013-07-16 The cartoonist from the award-winning comic Pervert and creator of Vice magazine unabashedly recounts such outrageous misadventures as his streaking through New York City during the 2003 blackout and his invention of the "Warhol Children." 50,000 first printing.

Tween Pop Tyler Bickford 2020-04-03 In the early years of the twenty-first century, the US music industry created a new market for tweens, selling music that was cooler than Barney, but that still felt safe for children. In Tween Pop Tyler Bickford traces the dramatic rise of the "tween" music industry, showing how it marshaled childishness as a key element in legitimizing children's participation in public culture. The industry played on long-standing gendered and racialized constructions of childhood as feminine and white—both central markers of innocence and childishness. In addition to Kidz Bop, High School Musical, and the Disney Channel's music programs, Bickford examines Taylor Swift in relation to girlhood and whiteness, Justin Bieber's childish immaturity, and Miley Cyrus/Hannah Montana and postfeminist discourses of work-life balance. In outlining how tween pop imagined and positioned childhood as both intimate and public as well as a cultural identity to be marketed to, Bickford demonstrates the importance of children's music to core questions of identity politics, consumer culture, and the public sphere.

Piss Off! Laura L. Finley 2005 From the assault by drug warriors, fear-mongers, and control freaks on students' privacy rights, kids are under attack. Part One lays a foundation for understanding current search policies in schools by describing and critiquing their legal precedents as well as the socio-cultural climate. Part Two examines five types of searches conducted at schools across America. Part Three focuses on the impact of school search policies. The final chapter hypothesizes why, in light of all the negatives, we are increasingly using intrusive policies in schools. Laura Finley is a former high school social studies teacher. She teaches and writes about social justice issues. Peter Finley is a former high school teacher and coach. He is now a doctoral candidate in sport administration.

The Gods of War - Daisy in the Underworld Rachel Redhead 2015-05-03 The second instalment of the Gods of War saga. Something has gone wrong with the afterlife, Pluto has been locked out of his realm and things are crumbling at the seams. The gods need to act but they must send it two humans to do their dirty work for them, Henry and Daisy, and one of them will be killed...

Not by Politics Alone Sara Diamond 2000-01-01 In this incisive work, Sara Diamond expands our understanding of the Christian Right beyond what is commonly known about its electoral clout, shedding light on the rarely seen boundaries and intersections where politics and culture converge. The book examines the web of grassroots cultural institutions, including publishing houses, law firms, broadcast stations, and church-centered community programs, that have helped conservative evangelical groups maintain their influence for over two decades. Highlighting the movement's complex alliance with the Republican Party, Diamond provides a rare behind-the-scenes look at the formation, organizing strategies, and heated internal debates of such powerful national organizations as Focus on the Family and the Christian Coalition. She offers a richly textured analysis of how the rubric of "family values" has been used to infuse evangelical beliefs into local and national discussions around such disparate issues as childrearing, gay rights, abortion, public education, and funding for the arts.

Ban This Filth! Ben Thompson 2012-10-31 In 1964, Mary Whitehouse launched a campaign to fight what she called the 'propaganda of disbelief, doubt and dirt' being poured into homes through the nation's radio and television sets. Whitehouse, senior mistress at a Shropshire secondary school, became the unlikely figurehead of a mass movement for censorship: the National Viewers' and Listeners' Association, now Mediawatch-uk. For almost forty years, she kept up the fight against the programme makers, politicians, pop stars and playwrights who she felt were dragging British culture into a sewer of blasphemy and obscenity. From Doctor Who ('Teatime brutality for tots') to Dennis Potter (whose mother sued her for libel and won) to the Beatles - whose Magical Mystery Tour escaped her intervention by the skin of its psychedelic teeth - the list of Mary Whitehouse's targets will read to some like a nostalgic roll of honour. Caricatured while she lived as a figure of middle-brow reaction, Mary Whitehouse was held in contempt by the country's

intellectual elite. But were some of the dangers she warned of more real than they imagined? Ben Thompson's selection of material from her extraordinary archive shows Mary Whitehouse's legacy in a startling new light. From her exquisitely testy exchanges with successive BBC Directors General, to the anguished screeds penned by her television and radio vigilantes, these letters reveal a complex and combative individual, whose anxieties about culture and morality are often eerily relevant to the age of the internet. 'A fantastic read . . . I can't recommend it highly enough.' Lauren Laverne, BBC Radio 6 Music

**Disability Hate Crimes** Mark Sherry 2016-05-23 Disability hate crimes are a global problem. They are often violent and hyper-aggressive, with life-changing effects on victims, and they send consistent messages of intolerance and bigotry. This ground-breaking book shows that disability hate crimes do exist, that they have unique characteristics which distinguish them from other hate crimes, and that more effective policies and practices can and must be developed to respond and prevent them. With particular focus on the UK and USA's contrasting response to this issue, this book will help readers to define hate crimes as well as place them within their wider social context. It discusses the need for legislative recognition and essential improvements on the reporting of incidents and assistance for individual victims of these crimes, as well as the need to address the social exclusion of disabled people and the negative attitudes surrounding their condition.

**Heterosexuality in Question** Stevi Jackson 1999-09-13 With heterosexuality currently being examined more rigorously than ever before, this accessible and engaging book charts the development of feminist and sociological theorizing on sexuality and the emergence of a radical critique of heterosexuality. Stevi Jackson reviews a range of important theoretical and substantive issues, and she demonstrates an important shift in feminist thinking from an emphasis on male dominance within heterosexual relations to a critical perspective on heterosexuality itself. Her book will be relevant to scholars and students in the fields of women's studies, lesbian and gay studies and the sociology of sexuality.

**That's Not Funny** Matt Sienkiewicz 2022-05-03 A rousing call for liberals and progressives to pay attention to the emergence of right-wing comedy and the political power of humor. "Why do conservatives hate comedy? Why is there no right-wing Jon Stewart?" These sorts of questions launch a million tweets, a thousand op-eds, and more than a few scholarly analyses. *That's Not Funny* argues that it is both an intellectual and politically strategic mistake to assume that comedy has a liberal bias. Matt Sienkiewicz and Nick Marx take readers—particularly self-described liberals—on a tour of contemporary conservative comedy and the "right-wing comedy complex." In *That's Not Funny*, "complex" takes on an important double meaning. On the one hand, liberals have developed a social-psychological complex—it feels difficult, even dangerous, to acknowledge that their political opposition can produce comedy. At the same time, the right has been slowly building up a comedy-industrial complex, utilizing the humorous, irony-laden media strategies of liberals such as Jon Stewart, Samantha Bee, and John Oliver to garner audiences and supporters. Right-wing comedy has been hiding in plain sight, finding its way into mainstream conservative media through figures ranging from Fox News's Greg Gutfeld to libertarian podcasters like Joe Rogan. *That's Not Funny* taps interviews with conservative comedians and observations of them in action to guide readers through media history, text, and technique. You will find many of these comedians utterly appalling, some surprisingly funny, and others just plain weird. They are all, however, culturally and politically relevant—the American right is attempting to seize spaces of comedy and irony previously held firmly by the left. You might not like this brand of humor, but you can't ignore it.

**Tar Heel Dead** Sarah R. Shaber 2015-04-01 From O. Henry to Lilian Jackson Braun, North Carolina has nurtured some of the world's best-known mystery writers. This unique collection of mystery short stories showcases some of North Carolina's best writing talent from the past and the present--some famous, some less well known. Some of the mysteries are by authors who have earned solid reputations in other genres, such as Orson Scott Card and William Brittain, but as their stories here demonstrate, their talent embraces the mysterious. The stories in this collection are as diverse as the "detectives" they feature: the Native American policeman who solves his first case on the reservation; a Siamese cat with an intuitive affection for his paraplegic neighbor; an attentive convenience store owner; and a thirty-year-old computer whiz whose body stopped growing when he was nine. They solve crimes, locate treasures, and uncover deceit in a range of tales that reflects the breadth of the genre. With stories to delight mystery devotees and fans of all good writing, this anthology highlights one of the most vibrant and popular elements of North Carolina's literary legacy. Contributors: Nancy Bartholomew, Greensboro, N.C. Lilian Jackson Braun, Tryon, N.C. William E. Brittain, Asheville, N.C. Lisa Cantrell, Madison, N.C. Orson Scott Card, Greensboro, N.C. O. **City A-Z** Steve Pile 2000 Featuring a fantastic line up of contributors, *The City A-Z* introduces students to a refreshingly new way of thinking about and understanding cities and urban life. Specially commissioned short entries capture moments of the city, constantly surprising the reader with entries ranging from poetry to prose, from paintings to a photo-essay, and from rigorous noisy analysis to quiet stories of city life. An "ideas" map, similar to the London Underground map, links all the different themes providing a route through this unique text. Includes contributions from: Ash Amin, Anette Baldauf, David Bell, Walter Benjamin, Alistair Bonnett, Iain Borden, Stephen Cairns, Iain Chambers, Steve Graham, Dolores Hayden, Steve Hinchcliffe, Mary King, Deborah Levy, Eugene McLoughlin, Harvey Molotch, Miles Ogborn, Steve Pile, Roy Porter, Jane Rendell, Saskia Sassen, David Sibley, Sharon Zukin

**Trends in Teenage Talk** Anna-Brita Stenström 2002-01-01 Teenage talk is fascinating, though so far teenage language has not been given the attention in linguistic research that

it merits. The dearth of investigations into teenage language is due in part to under representation in language corpora. With the Bergen Corpus of London Teenage Language (COLT) a large corpus of teenage language has become available for research. The first part of Trends in Teenage Talk gives a description how the COLT corpus was collected and processed; the speakers are presented with special emphasis on the recruits and their various backgrounds; ending with a description what the COLT teenagers talk about and how they do it. The second part of the book is devoted to the most prominent features of the teenagers' talk: 'slanguage'; how reported speech is manifested; a survey of non-standard grammatical features; the use of intensifiers; tags; and interactional behaviour in terms of conflict talk.

Het glazen kasteel Jeannette Walls 2013-12-15 Ik zat in een taxi toen ik mijn moeder zag die in een vuilnisbak stond te graaien.' In Het glazen kasteel beschrijft Jeannette Walls haar jeugd als oudste van de vier kinderen in een gezin dat zonder vaste woonplaats en in absolute armoede leeft. Hoe ze als driejarige knakworstjes stond op te warmen en zich vreselijk verbrandde, hoe haar vader telkens weer ontslagen werd. Hoe er nooit een einde kwam aan hun financiële zorgen. De ingevingen van haar volstrekt onverantwoorde ouders waren altijd leuk en spannend. Haar liefde voor hen was groot ? ook al stelden ze haar keer op keer teleur.

Teenage Wasteland Donna Gaines 1992 Teenage Wasteland provides memorable portraits of "rock and roll kids" and shrewd analyses of their interests in heavy metal music and Satanism. A powerful indictment of the often manipulative media coverage of youth crises and so-called alternative programs designed to help "troubled" teens, Teenage Wasteland draws new conclusions and presents solid reasons to admire the resilience of suburbia's dead end kids. "A powerful book."--Samuel G. Freedman, New York Times Book Review "[Gaines] sheds light on a poorly understood world and raises compelling questions about what society might do to help this alienated group of young people."--Ann Grimes, Washington Post Book World "There is no comparable study of teenage suburban culture . . . and very few ethnographic inquiries written with anything like Gaines's native gusto or her luminous eye for detail."--Andrew Ross, Transition "An outstanding case study. . . . Gaines shows how teens engage in cultural production and how such social agency is affected by economic transformations and institutional interventions."--Richard Lachman, Contemporary Sociology "The best book on contemporary youth culture."--Rolling Stone

Culture Wars Roger Chapman 2015-03-17 The term "culture wars" refers to the political and sociological polarisation that has characterised American society the past several decades. This new edition provides an enlightening and comprehensive A-to-Z ready reference, now with supporting primary documents, on major topics of contemporary importance for students, teachers, and the general reader. It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context. With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues, this is a unique and defining work, indispensable to informed discussions of the most timely and critical issues facing America today.

Drawn to Extremes Chris Lamb 2004 Unrestricted by journalistic standards of objectivity, editorial cartoonists wield ire and irony to reveal the naked truths about presidents, business leaders, and other public figures. Indeed, since the founding of the republic, cartoonists have both made an important contribution to and offered a critical commentary on our society. This book demonstrates the limits of cartooning from the courtroom to the newsroom. Chris Lamb examines the reasons for the declining state of the art and the implications for all of us. Most newspapers today publish relatively generic, gag-related, syndicated cartoons. They are cheaper and generate fewer phone calls than hard-hitting cartoons. Lamb charges that they are symptomatic of the foundering newspaper industry and reflect a weakness in the newspaper's traditional watchdog function. If a newspaper wants to fulfill its function in society, maybe it should find ways to make the phone ring more - not less!

Sense of Wonder Leigh Grossman 2011-12-20 A survey of the last 100 years of science fiction, with representative stories and illuminating essays by the top writers, poets, and scholars, from Edgar Rice Burroughs and Samuel Butler to Robert A. Heinlein and Jack Vance, from E.E. "Doc" Smith and Clifford D. Simak to Ted Chiang and Charles Stross-- and everyone in between. More than one million words of classic fiction and essays!

The Days After Van Windsor 2017-11-03 A family's home gets broken into. The small-town gossip begins to spread as the case for the burglars ensues. Detective Frank Simmons leads the cause and uncovers dark truths about the family, the neighborhood, and even his own partner. A young boy in the hospital, an officer looking to redeem his reputation, and a beautiful girl are stuck in between all of the chaos.

Women in Performance Sarah Gorman 2020-07-22 Women in Performance: Repurposing Failure charts the renewed popularity of intersectional feminism, gender, race and identity politics in contemporary Western experimental theatre, comedy and performance through the featured artists' ability to strategically repurpose failure. Failure has provided a popular frame through which to theorise recent avantgarde performance, even though the work rarely acknowledges stakes tend to be higher for women than men. This book analyses the imperative work of a number of female, non-binary and trans\* practitioners who resist the postmodern doctrine of 'post-identity' and attempt to foster a sense of agency on stage. By using feminism as a critical lens, Gorman interrogates received ideas about performance failure and negotiates contradictions between contemporary white feminism, intersectional feminism, gender and sexuality. Women in Performance: Repurposing Failure reveals how performance has the power to both observe and reject contemporary feminist and postmodern theory, rendering this text an invaluable resource for theatre and performance studies students and those grappling with the disciplinary tensions between feminism, gender, queer and trans\* studies.

Eten, bidden, beminnen Elizabeth Gilbert 2010-10-01 Op haar dertigste heeft Elizabeth alles wat een moderne vrouw zich maar kan wensen: een echtgenoot, een huis en een

succesvolle carrière. Maar in plaats van gelukkig te zijn wordt ze overspoeld door paniek, verdriet en verwarring. Twee jaar later, na een bittere echtscheiding en een hevige depressie, besluit Elizabeth een radicale stap te nemen: ze gaat een jaar lang alleen op reis. Op haar zoektocht naar evenwicht en geluk doet ze drie landen aan. In Italië leert ze la dolce vita kennen, in India verdiept ze zich in meditatie en schrobt ze tempelvloeren, en in Indonesië ontdekt ze de balans tussen ernst en lichtvoetigheid en ontmoet ze haar grote liefde.

An American Spy Olen Steinhauer 2012-03-13 Milo Weaver is still haunted by his last job. As an expert assassin for the Department of Tourism, an ultra-secret group of super-spooks buried deep in the corridors of the CIA, he fought to keep himself sane in a paranoid and amoral profession. Now, the Department has been destroyed, and with it Weaver's livelihood. Finally he can spend time with his family - without constantly looking over his shoulder and fixing one eye on the exits. Weaver's former boss is not so settled. For Alan Drummond, Tourism was everything. Now, all he wants is to take revenge on the Chinese spymaster that exploded their operations from within. Weaver tries to persuade him to leave sleeping cells lie, but when Drummond disappears from a London hotel room, Weaver is sucked back down into his old life. Soon, Weaver is sifting through secrets, lies and misinformation. If his time as a Tourist has taught him anything, it's that nothing and no-one can be trusted - even within the CIA itself...

Gebroken soep J. Valentine 2009-09-20 Het was niet van mij. Ik had het niet laten vallen, maar de jongen zei van wel. Hij stond daar met z'n ik-weet-het-gewoon-zeker gezicht. Ik lachte erom, maar vanbinnen voelde ik me een idioot. Ik had geen idee dat er iets belangrijks was gebeurd. Bij Rowan Clark thuis is niets zoals het zou moeten zijn. Haar oudere broer Jack is verongelukt, haar vader is vertrokken en haar moeder is sindsdien zwaar depressief. Rowan probeert zo goed als het gaat voor haar jongere zusje te zorgen, en voor de buitenwereld verborgen te houden dat alles verkeerd gaat. Maar dat lukt steeds minder goed. Wanneer ze op een dag in de supermarkt in de rij staat, tikt een onbekende jongen op haar rug. Hij geeft haar een negatief, dat ze volgens hem heeft laten vallen. Rowan weet van niets, maar neemt de foto uiteindelijk toch aan, omdat ze geen opschudding in de supermarkt wil veroorzaken. Op de foto ziet ze vaag een wijdopen mond. Wanneer de foto wordt afgedrukt, schrikt Rowan: op de foto staat haar overleden broer Jack, breed lachend. Rowan gaat op zoek naar de jongen die haar het negatief gaf. Hij leert haar om weer van het leven te genieten. Jenny Valentine is in haar jeugd om de twee jaar verhuisd. Ze studeerde Engelse Literatuur en heeft veel verschillende banen gehad. Ze is getrouwd met een singer/songwriter en heeft twee kinderen. Haar debuut Op zoek naar Violet Park werd bekroond met de Guardian Childrens Fiction Prize.

Een zomer zonder jou Jenny Han 2011-06-15 Zomer, zon, een strandhuisje, en niet te vergeten de twee knappe zoons van Susannah: voor Belly dé perfecte ingrediënten voor een zwoele zomervakantie. Vroeger telde ze de dagen tot de zomervakantie af en kon ze niet wachten Jeremiah en Conrad, die ze al vanaf haar geboorte kent, weer te zien. Maar dit jaar is alles anders. Susannah, de moeder van de twee jongens, is overleden en Conrad sluit zich voor iedereen en vooral voor Belly af. Alles wat goed en vertrouwd was aan de zomers in Cousins Beach is weg en Belly hoopt dat het nooit meer zomer wordt... Een zomer zonder jou is het gevoelige, meeslepende vervolg op De zomer waarin alles veranderde.

Before We Were Blue E. J. Schwartz 2021-09-14 In a treatment center for eating disorders, teenagers Shoshana and Rowan develop an intense, sometimes destructive connection. Ultimately, the girls will have to make a choice: get healthy on their own—or stay sick together.

Men's Intrusion, Women's Embodiment Fiona Vera-Gray 2016-07-01 Research on violence against women tends to focus on topics such as sexual assault and intimate partner violence, arguably to the detriment of investigating men's violence and intrusion in women's everyday lives. The reality and possibility of the routine intrusions women experience from men in public space – from unwanted comments, to flashing, following and frottage – are frequently unaddressed in research, as well as in theoretical and policy-based responses to violence against women. Often at their height during women's adolescence, such practices are commonly dismissed as trivial, relatively harmless expressions of free speech too subjective to be legislated against. Based on original empirical research, this book is the first of its kind to conduct a feminist phenomenological analysis of the experience for women of men's stranger intrusions in public spaces. It suggests that intrusion from unknown men is a fundamental factor in how women understand and enact their embodied selfhood. This book is essential reading for academics and students involved in the study of violence against women, feminist philosophy, applied sociology, feminist criminology and gender studies.

Maps in a Mirror Orson Scott Card 2009-11-30 Maps in a Mirror brings together nearly all of Orson Scott Card's short fiction written between 1977 and 1990. For those readers who have followed this remarkable talent since the beginning, here are all those amazing stories gathered together in one place, with some extra surprises as well. For the hundreds of thousands who are newly come to Card, here is chance to experience the wonder of a writer so versatile that he can handle everything from traditional narrative poetry to modern experimental fiction with equal ease and grace. The brilliant story-telling of the Alvin Maker books is no accident; the breathless excitement evoked by the Ender books is not a once-in-a-lifetime experience. In this enormous volume are forty-six stories, plus ten long, intensely personal essays, unique to this volume. In them the author reveals some of his reasons and motivations for writing, with a good deal of autobiography into the bargain. "One of the genre's most convincing storytellers. An important volume."--Library Journal At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Truth Will Set You Free, But First It Will Piss You Off! Gloria Steinem 2019-10-29 A beautifully illustrated collection of Gloria Steinem's most inspirational and outrageous quotes, with an introduction and essays by the feminist activist herself "A fearless book full of passion, resolute perspective, and unbiased hope for the future."—Janelle Monáe For decades—and especially now, in these times of crisis—people around the world have found guidance, humor, and unity in Gloria Steinem's gift for creating quotes that offer hope and inspire action. From her early days as a journalist and feminist activist, Steinem's words have helped generations to empower themselves and work together. Covering topics from relationships ("Many are looking for the right person. Too few are trying to be the right person.") to the patriarchy ("Men are liked better when they win. Women are liked better when they lose. This is how the patriarchy is enforced every day.") and activism ("Revolutions, like trees, grow from the bottom up."), this is the definitive collection of Steinem's words on what matters most. Steinem sees quotes as "the poetry of everyday life," so she also has included a few favorites from friends, including bell hooks, Flo Kennedy, and Michelle Obama, in this book that will make you want to laugh, march, and create some quotes of your own. In fact, at the end of the book, there's a special space for readers to add their own quotes and others they've found inspiring. The Truth Will Set You Free, But First It Will Piss You Off! is both timeless and timely. It is a gift of hope from Steinem to readers, and a book to share with friends.
