Truly engage learners with scientific concepts - the inquiry-based approach drives active exploration, investigation and critical thought Fully cover the new syllabus - the most comprehensive support for the new syllabus (first examination 2017), developed directly with the IB Strengthen achievement - current case studies and activities accessibly connect learning with global issues, driving motivation and achievement Accurately implement the new requirements-written by DP Curriculum Developers and authors of the new syllabus Support the new internal assessment - fresh ideas and new approaches to practicals from Gilliam Williams help you tackle the changes Build assessment potential - assessment support from the IB provides unrivalled exam preparation Print and online format gives the most flexible access to learning material Multiplatform access, compatible with PCs, Macs, iPads, tablets and more Includes one print course book and one online course book The license is valid until 31st December 2023 About the Series: IB Diploma Course Books are essential resource materials designed in cooperation with the IB to provide students with extra support through their IB studies. Course Books provide advice and guidance on specific course assessment requirements, mirroring the IB philosophy and providing opportunities for critical thinking.

Environmental Systems and Societies (SL) Emma M Shaw 2022-02-11 The brand new, reworked Environmental Systems and Societies (SL) TestPrep Workbook is here! With essential exam practice questions for IB Environmental Systems and Societies revision, this book gives an accurate and exam-aligned experience for students. NEW in this second edition: Self assessment tables for students to mark themselves against each assessment objective! Find out which question types need more practice. With high quality support for both papers, this TestPrep book in the Revise IB series helps students to familiarise themselves with their ESS SL exams set by the International Baccalaureate. Find out information about the format of the papers and the types of exam questions that are set. Students practise answering the questions by writing directly into the book, just like they do in the real exam. In addition, as they work through, there are strategies, hints and support for answering the questions. From some excellent and unique practice questions for Paper 1 to invaluable advice from the experts on how to tackle Paper 2, this book provides essential exam practice support for students revising for their IB ESS SL exams. Students will... Understand what to expect from their ESS exam papers such as question types, how questions are assessed and how marks are assigned, plus information about the assessment objectives See example answers to Paper 1- and Paper 2-style questions - with brand new, unseen sample answers to exam-style questions and answer analysis from the point of view of an examiner. Test themselves - with FOUR complete sets of exam-style Environmental

Systems and Societies practice papers (the first set includes loads of additional tips, examiner commentary and support to guide students to achieve high marks; the second and third sets have fewer helpful prompts; the last set has no additional help and is designed so students can have a go at it themselves!). Check answers - with fully-worked solutions in the back of the book. Practice exam papers are one of the best ways to make sure students feel confident, reassured and prepared for their exams. With full sets of exam-style papers to work through, Environmental Systems and Societies: TestPrep Workbook is the perfect resource for students to use as part of their exam revision - whether this is before the mock exams or before the real thing. This book can be used from the first year of the Diploma Programme.
