Despite strained relationships caused by opposing sympathies in the war, Han and Leia Solo and Luke and Mara Skywalker remain united by one frightening suspicion: Someone insidious is manipulating this war, and if he or she isn't stopped, all efforts at reconciliation may be for naught. And as sinister visions lead Luke to believe that the source of the evil is none other than Lumiya, Dark Lady of the Sith, the greatest peril revolves around Jacen himself. . . . **The History and Politics of Star Wars** Chris Kempshall 2022-08-11 This book provides the first detailed and comprehensive examination of all the materials making up the Star Wars franchise relating to the portrayal and representation of real-world history and politics. Drawing on a variety of sources, including films, published interviews with directors and actors, novels, comics, and computer games, this volume explores the ways in which historical and contemporary events have been repurposed within Star Wars. It focuses on key themes such as fascism and the Galactic Empire, the failures of democracy, the portrayal of warfare, the morality of the Jedi, and the representations of sex, gender, and race. Through these themes, this study highlights the impacts of the fall of the Soviet Union, the War on Terror, and the failures of the United Nations upon the 'galaxy far, far away'. By analysing and understanding these events and their portrayal within Star Wars, it shows how the most popular media franchise in existence aims to speak about wider contemporary events and issues. The History and Politics of Star Wars is useful for upper-level undergraduates, postgraduates, and scholars of a variety of disciplines such as transmedia studies, science fiction, cultural studies, and world history and politics in the twentieth and twenty-first centuries. **Patterns of Force: Star Wars Legends (Coruscant Nights, Book III)** Michael Reaves 2011-06-28 After the Empire's bloody purge of the Jedi, one lone Knight still fights for those who cannot, unaware that he's about to be swept into a cataclysmic battle against the Master of Darkness himself. But Jax is also involved in another struggle—to unlock the secrets of his father's death and his own past. While Jax believes that I-5YQ holds some of those answers, he never imagines that the truth could be shocking enough to catapult him to the frontlines of a plot to kill Emperor Palpatine. Worse yet, Darth Vader's relentless search for Jax is about to end . . . in triumph. The future looming over the valiant Jedi and his staunch pals promises to be dark and brief, because there's no secret whatsoever about the harshest truth of all: Few indeed are those who tangle with Darth Vader . . . and live to tell the tale. The action begins after the destruction of the Death Star in Star Wars: Episode IV A New Hope. When the Empire threatens the galaxy's new hope, will Han, Luke, and Leia become its last chance? When the mission is to extract a high-level rebel spy from the very heart of the Empire, Leia Organa knows the best man for the job is Han Solo—something the princess and the smuggler can finally agree on. After all, for a guy who broke into an Imperial cell block and helped destroy the Death Star, the assignment sounds simple enough. But when Han locates the brash rebel agent, Scarlet Hark, she's determined to stay behind enemy lines. A pirate plans to sell a cache of stolen secrets that the Empire would destroy entire worlds to protect—including the planet where Leia is currently meeting with rebel sympathizers. From teeming city streets to a lethal jungle to a trap-filled alien temple, Han, Chewbacca, Leia, and their daring new comrade confront one ambush, double cross, and firestorm after another as they try to keep crucial intel out of Imperial hands. But one lone Knight continues to fight the good fight—against all odds and when all else fails. Deep in the bowels of Coruscant, Jedi Jax Pavan ekes out a living as a private investigator, a go-to, can-do guy for the downtrodden. **Star Wars Multiverse** Carmelo Esterrich 2021-08-13 Star Wars may have started out as a film about a Manichean battle between good and evil, but as countless filmmakers, novelists, animators, fan artists and even cosplayers have taken the opportunity to play in the fictional world George Lucas created, it has expanded into something far greater, resulting in a richly layered and diverse Star Wars multiverse. Drawing from a full range of Star Wars media, including comics, children's books, fan films, and television shows like Clone Wars and The Mandalorian, Carmelo Esterrich explores how these stories set in a galaxy far far away reflect issues that hit closer to home. He examines what they have to say about political oppression, authoritarianism, colonialism, discrimination, xenophobia, and perpetual war. Yet he also investigates subtler ways in which the personal is political within the multiverse, including its articulations of gender and sexuality, its cultural hierarchies of language use, and its complex relationships between humans, droids and myriad species. This book demonstrates that the Star Wars multiverse is not just a stage for thrilling interstellar battles, but also an exciting space for interpretation and discovery.

**Razor's Edge: Star Wars Legends** Martha Wells 2013-09-24 When rebels clash with renegades, it's the Empire that may claim the final victory. Times are desperate for the Rebel Alliance. Harassment by the Empire and a shortage of vital supplies are hindering completion of a new secret base on the ice planet Hoth. So when Mid Rim merchants offer much-needed materials for sale, Princess Leia Organa and Han Solo lead an Alliance delegation to negotiate a deal. But when treachery forces the rebel ship to flee into territory controlled by pirates, Leia makes a shocking discovery: the fierce marauders come from Leia's homeworld of Alderaan, recently destroyed by the Death Star. These refugees have turned to pillaging and plundering to survive—and they are in debt to a pirate armada, which will gladly ransom the princess to the vengeful Empire . . . if they find out her true identity. Struggling with intense feelings of guilt, loyalty, and betrayal, Leia is determined to help her wayward kinspeople, even as Imperial forces are closing in on her own crippled ship. **Betrayal: Star Wars Legends (Legacy of the Force)** Aaron Allston 2008-04-29 This is the era of Luke Skywalker's legacy: the Jedi Master has unified the order into a cohesive group of powerful Jedi Knights. But as the new era begins, planetary interests threaten to disrupt this time of relative peace, and Luke is plagued with visions of an approaching darkness. Evil is rising again—out of the best intentions—and it looks as if the legacy of the Skywalkers may come full circle. Honor and duty will collide with friendship and blood ties as the Skywalker and Solo clans find themselves on opposing sides of an explosive conflict with potentially devastating repercussions for both families, for the Jedi order, and for the entire galaxy. When a mission to uncover an illegal missile factory on the planet Adumar ends in a violent ambush—from which Jedi Knight Jacen Solo and his protégé and cousin, Ben Skywalker, narrowly escape with their lives—it's the most alarming evidence yet that sparks of political unrest are threatening to ignite into total rebellion. The governments of numerous worlds are chafing under the strict regulations of the Galactic Alliance, and diplomatic efforts to enforce compliance are failing. Fearing the worst, the Alliance readies a preemptive display of military might in a bid to bring the rogue worlds in line before an uprising erupts. The designated target of this exercise: planet Corellia—renowned for the brash independence and renegade spirit that have made its favorite son, Han Solo, a legend. Something of a rogue himself, Jacen is nevertheless duty bound as a Jedi to stand with his uncle, Jedi Master Luke Skywalker, on the side of the Galactic Alliance. But when the wary Corellians launch a counterstrike, the Alliance's show of force—and a secret mission to disable Corellia's crucial Centerpoint Station—give way to an armed skirmish. Once the smoke clears, the battle lines are drawn. Now the specter of full-scale war looms between a growing cadre of defiant planets and the Galactic Alliance that some fear is becoming a new Empire. And even as both sides struggle to find a diplomatic solution, mysterious acts of treachery and sabotage threaten peace efforts at every turn. Determined to root out those behind the mayhem, Jacen follows a trail of cryptic clues to a dark rendezvous with the most shocking of revelations . . . while Luke grapples with something even more troubling: dream visions of a shadowy figure whose Force power and ruthlessness remind him of Darth Vader—a lethal enemy who strikes like a dark spirit on a mission of doom. An agent of evil who, if Luke's visions come to pass, will bring untold pain to the Jedi Master . . . and to the entire galaxy. **Revelation: Star Wars Legends (Legacy of the Force)** Karen Traviss 2008-04-29 During this savage civil war, all efforts to end Jacen Solo's tyranny of the Galactic Alliance have failed. Jacen Solo's shadow of influence has threatened many, especially those closest to him. Jaina Solo is determined to bring her brother in, but in order to track him down, she must first learn unfamiliar skills from a man she finds ruthless, repellent, and dangerous. Meanwhile, Ben Skywalker, still haunted by

suspicions that Jacen killed his mother, Mara, decides he must know the truth, even if it costs him his life. And as Luke Skywalker contemplates once unthinkable strategies to dethrone his nephew, the hour of reckoning for those on both sides draws near. The galaxy becomes a battlefield where all must face their true nature and darkest secrets, and live—or die—with the consequences. **Allegiance: Star Wars Legends** Timothy Zahn 2011-06-28 Never before has the incendiary mix of action, politics, and intrigue that has become Timothy Zahn's trademark, been mmore evident than in this new Star Wars epic. On the heels of the stunning events chronicled in Star Wars: A New Hope, the newly minted heroes of the Rebellion—fledgling Jedi Luke Skywalker, smuggler turned reluctant freedom-fighter Han Solo, and Princess Leia Organa, a bold leader with a world to avenge—must face the harsh realities of the cataclysmic conflict into which they have so bravely plunged. From this point forward, legends will grow, treachery will abound, and lives will be irrevocably altered, in the long, hard fight to counter the fist of tyranny and restore hope to a galaxy too long in darkness. The destruction of the Death Star by the Rebel Alliance was a decisive blow against the Empire, but Palpatine and his monstrous enforcer, Darth Vader, are no less of a threat. The brutal extermination of Alderaan not only demonstrated the magnitude of their murderous power, but served as a chilling testament to their resolve to crush the Rebel uprising. Standing against them, Skywalker, Solo, and the Princess remain uncertain opponents. Luke is gifted and brave, but unschooled in the power he possesses. Han has doubts about waging someone else's war—and his contentiousness is one more burden for Leia to bear as she struggles to help keep the Rebellion alive. The three have been sent to mediate a dispute between Rebel Alliance factions in Shelsha Sector—agitating matters by forcing Han to deal not only with pirates, but with his more dreaded enemy, politics. At the same time, Mara Jade—all of eighteen and years away from her fateful meeting with Luke—is serving her evil master, Palpatine, well in her role as the Emperor's Hand: tracking suspected treachery in the Empire to what may be high places—while trying to stay out of Darth Vader's way. But the Rebels will prove to be only one of the Empire's concerns. For Imperial Stormtrooper Deric LaRone, his faith in the Empire shaken by the wanton destruction of Alderaan, will commit a sudden and violent act of defiance, and take four other enforcers with him, in a desperate bid to elude their masters' wrath. Each of these fateful actions, whether sanctioned, secret, or scandalous, will expose brutality and corruption, spur upheavals destined to shake the Empire to its core, and shape momentous events yet to come. **Tempest: Star Wars Legends (Legacy of the Force)** Troy Denning 2008-04-29 Forty years after the Battle of Yavin a dangerous new era in the Star Wars epic begins— the revelations are shocking, the stakes desperate, and the enemy everywhere. As civil war threatens the unity of the Galactic Alliance, Han and Leia Solo have enraged their families and the Jedi by joining the Corellian insurgents. But the Solos draw the line when they discover the rebels' plot to make the Hapan Consortium an ally— which rests upon Hapan nobles murdering their pro-Alliance queen and her daughter. Yet the Solos' selfless determination to save the queen cannot dispel the inescapable consequences of their actions, that will pit mother against son and brother against sister in the battles ahead. For as Jacen Solo's dark powers grow stronger under the Dark Jedi Lumiya, and his influence over Ben Skywalker becomes more insidious, Luke's concern for his nephew forces him into a life-and-death struggle against his fiercest foe, and Han and Leia Solo find themselves at the mercy of their deadliest enemy . . . their son. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

But when Omega Squad is rushed to Coruscant, the war's most dangerous new hotspot, the commandos discover they're not the only ones penetrating the heart of the enemy. **Sacrifice: Star Wars Legends (Legacy of the Force)** Karen Traviss 2008-04-29 Civil war rages as the Galactic Alliance—led by Cal Omas and the Jedi forces of Luke Skywalker—battles a confederation of breakaway planets that rally to the side of rebellious Corellia. Suspected of involvement in an assassination plot against Queen Mother Tenel Ka of the Hapes Consortium, Han and Leia Solo are on the run, hunted by none other than their own son, Jacen, whose increasingly authoritarian tactics as head of GA security have led Luke and Mara Skywalker to fear that their nephew may be treading perilously close to the dark side. But as his family sees in Jacen the chilling legacy of his Sith grandfather, Darth Vader, many of the frontline troops adore him, and countless citizens see him as a savior. The galaxy has been torn apart by too many wars. All Jacen wants is safety and stability for all—and he's prepared to do whatever it takes to achieve that goal. To end the bloodshed and suffering, what sacrifice would be too great? That is the question tormenting Jacen. Already he has sacrificed much, embracing the pitiless teachings of Lumiya, the Dark Lady of the Sith, who has taught him that a strong will and noble purpose can hold the evil excesses of the dark side at bay, bringing peace and order to the galaxy—but at a price. For there is one final test that Jacen must pass before he can gain the awesome power of a true Sith Lord: He must bring about the death of someone he values dearly. What troubles Jacen isn't whether he has the strength to commit murder. He has steeled himself for that, and worse if necessary. No, the question that troubles Jacen is who the sacrifice should be. As the strands of destiny draw ever more tightly together in a galaxy-spanning web, the shocking answer will shatter two families . . . and cast a grim shadow over the future. The payoff will be more than enough for Han to settle up with Jabba—and ensure he never has to haggle with the Hutts again.
