Medical Care Law Edward P. Richards 1999 A legal reference for practicing physicians is a necessary adjunct to their professional practice library in today's highly regulated and litigious world. Medical Care Law was written to help practicing physicians avoid legal conflicts, and to prevent legal problems rather than treat them. Written with the practicing physician in mind, this book is also valuable to a variety of health professionals, including physician executives, medical directors, nurse administrators, advanced practice nurses, case managers, risk managers, legal nurse consultants, health care administrators, public health professionals, and attorneys. In addition To The traditional legal issues affecting medical practitioners, Medical Care Law addresses the legal pitfalls in today's volatile health care landscape, including managed care, health care fraud and abuse, compliance plans, and working with non-physician providers.

No Handbook for the Homeless Joyce Trainor 2015-08-12 There is no Handbook for the Homeless. Nobody teaches seminars or gives guided tours that promise to give you the inside scoop on where to flop when you're homeless. You have to figure it out as you go along. Few of us plan for it. Perhaps, in today's cliché driven world, it means we planned to fail. But how much farther can you fall than sleeping in the cemetery, curled up on your son's grave because it's the only piece of real estate you own. At best, if you find yourself homeless, if you haven't burned all your karma, you will find a spirit guide. More likely the guide will find you. In this first novel by Joyce Trainor, Aileen Roark's middle class life is forever changed by a drunk driver. Overwhelmed by medical and legal debt, Aileen retreats to a tiny rundown apartment and tries desperately to rebuild her life with only her son's enormous dog for companionship. But the downward spiral continues and Aileen stumbles into a world unknown to her, hidden from wealthy tourists and part time residents in Santa Fe and Albuquerque, New Mexico. It's a place where a night on the street can mean a death sentence or a 'Go Straight to Jail' card and change everything you believe about the ragged people standing on the corner. Street dwelling Wizard, a relic of the communes that dotted New Mexico in the 1960s and 70s; Father Rico, elderly priest to an impoverished parish; ex-boxer Cesar Jesus Chavez, now night manager at a cheap motel; and the quirky Billy James Dean, Esquire, defender of the almost guilty, help Aileen survive.

Crypt 33: Adela Gregory 2012-07-01 The shocking truth behind the death of an American icon—and the conspiracies that kept it secret for decades—in “the best autopsy of Marilyn Monroe” (Cyril H. Wecht, MD, JD) In her tragically short life, Marilyn Monroe embodied American womanhood, innocence, and lust—both as a Hollywood star and in the shadows of her tormented soul. But when she was found naked and dead on the morning of August 5, 1962, she became the subject of a mystery that has perplexed the world for generations. Was her death an accident? Suicide? Or murder? In Crypt 33, two Los Angeles private investigators recount the startling evidence that may solve the case once and for all, finally revealing the truth about: Monroe's affairs with JFK and Robert Kennedy . . . The identity of the friend who allowed Monroe's killers into her home . . . Evidence of the deadly drugs and how they were administered to the starlet . . . The rumors of an assassination plot masterminded by the Cosa Nostra and high-ranking government officials . . . The tangled web of wiretaps in Monroe's home—and what happened to the audio tape recording of her murder . . . Now, at last, the truth of Monroe's shocking death can be told in a book that “makes the hardest case yet that Marilyn was the victim of foul play” (Kirkus Reviews). “Well and sympathetically told . . . Speriglio and Gregory are fluent, convincing writers.” —Publishers Weekly

Out of the Rubble Ingrid Radke-Azvedo 2015-09-21 Since I was very young, I have seen and experienced difficult times in my life but always managed to deal with them as there usually was no other choice. At the age of six, I hit rock bottom and learned that there really was a God and he became my best friend, which helped me throughout my life to never give up or to feel alone. I considered it a privilege to be called on to perform a certain, sometimes even arduous job, both in my private life, my employment, or in any of my appointed positions; finding out that

accomplishing positive results, after giving it your best effort, is the greatest form of satisfaction. It also taught me that if I wanted something bad enough, I could find a way to achieve it. I am sorry if I have offended anyone along my way throughout the years of my life but it has perpetually been my aspiration to treat others as I would like to be treated myself.
