New Edition Marjorie Fuchs 2016 Building on the success of previous editions, Focus on Grammar , Fifth Edition continues to leverage its successful four-step approach that lets learners move from comprehension to communication within a clear and consistent structure. Centered on thematic instruction, Focus on Grammar combines comprehensive grammar coverage with abundant practice, critical thinking skills, and ongoing assessment, helping students communicate confidently, accurately, and fluently in everyday situations. The Fifth Edition continues to incorporate the findings of corpus linguistics in grammar notes, charts, and practice activities, while never losing sight of what is pedagogically sound and useful. New to This Edition New and updated content showcases culturally relevant topics of interest to modern learners. Updated grammar charts and redesigned grammar notes with clear, corpus-informed grammar explanations reflect real and natural language usage, allowing students to grasp the most important aspects of the grammar. Expanded communicative activities encourage collaboration and application of target grammar in a variety of settings. New unit-ending From Grammar to Writing section allows students to apply grammar in writing through structured tasks from pre-writing to editing. New assessment tools, including course diagnostic tests, formative and summative assessments, and a flexible gradebook, are closely aligned with unit learning outcomes to inform instruction and measure progress. FOG Go app for iPhone• and Android• lets students easily navigate Student Book audio clips on their phone or tablet. Updated for the Fifth Edition, MyEnglishLab: Focus on Grammar offers students engaging practice and video grammar presentations anytime, anywhere with immediate feedback and remediation tasks to help promote accuracy. Other Highlights Scaffolded exercises help learners bridge the gap between identifying grammatical structures and using them with confidence and accuracy. High-interest readings in multiple genres expose students to the form, meaning, and use of grammar in natural contexts. Key vocabulary taught, practiced, and recycled throughout the unit ensures acquisition. Listening tasks give students multiple opportunities to focus on spoken English and develop listening skills. Mapped to the Global Scale of English.

Northstar 2 Natasha Haugnes 2014 NorthStar, Fourth Edition, a five-level series, engages students through authentic and compelling content and empowers them to achieve their academic and personal goals. The approach to critical thinking in both the Reading/Writing and Listening/Speaking strands challenges students to move beyond basic comprehension to higher-level analysis. Conceptualized to promote critical thinking, NorthStar infuses analysis, synthesis, evaluation, and application throughout every lesson, not just in a critical thinking section like in other series. Components: Print or eText Student Book with MyEnglishLab — Building on the success of previous editions, NorthStar continues to engage and motivate students through new and updated contemporary, authentic topics in a seamless integration of print and online content. eText with MyEnglishLab — Offering maximum flexibility for different learning styles and needs, a digital version of the Student Book can be used on iPad and Android devices. MyEnglishLab: NorthStar — Students use MyEnglishLab to access additional practice online, view videos, listen to audio selections, and receive instant feedback on their work. Teachers assign MyEnglishLab activities to reinforce the skills students learn in class and monitor progress through an online gradebook. Teacher Resource eText — Each strand of NorthStar has an accompanying Teacher Resource eText with the following: digital Student Book, downloadable achievement tests, classroom audio, lesson planners, video activities, videoscripts, teacher's manuals, answer keys, and a downloadable placement test. Accessible through MyEnglishLab: NorthStar. Classroom Audio CD — Listening and Speaking audio contains the recordings and activities as well as audio for the achievement tests. The Reading and Writing strand contains the readings on audio.

Nu ik dood zal gaan Randy Pausch 2011-10-09 Met Nu ik dood zal gaan heb je iets belangrijks in handen. Het is een boek dat je tot nadenken zet over je eigen leven, dat je doet inzien dat alles een doel heeft – hoe klein ook. Randy Pausch, professor in de informatica, is een 'gewone' man met drie jonge kinderen, die op een dag te horen krijgt dat hij nog maar enkele maanden te leven heeft. Een paar weken later geeft hij aan de universiteit zijn laatste college, die door de eenvoud en kracht ervan een miljoenenpubliek bereikt. Het college ging over alles waar Randy in gelooft. Het ging over het leven. Dit boek is bedoeld om mensen waar ook ter wereld kennis te laten maken met Randy's levenslust. Het is een waardevol document waar je nog jarenlang hoop, inspiratie en kracht uit kunt putten.

You, Me and the World Book With App and Myenglishlab, L3 Pearson 2018-09-28 StartUp is a completely new course for adults and young adults who want to make their way in the world and need English to do it. StartUp makes learning easy and relevant,

focusing on meaningful language that builds student confidence in using English, both in and out of class. Teachers are supported in numerous ways, minimizing preparation time and providing a flexibility that allows for personalized teaching and focus on the skills that are important for their classes. * English for 21st century learners: StartUp helps students learn English as it is spoken and used in the 21st century, such as in text messages, emails, and podcasts; in informal social texts and conversations; and in formal texts and discussions for academic and business contexts. Students acquire collaborative and critical thinking skills they need to succeed in study and at work. * Personalized, flexible teaching: StartUp gives you the flexibility to teach the way you want. The structure, the wealth of support materials and the practice app offer more options to flip the class, to focus on different strands and skills, and to extend and differentiate instruction to meet students' individual needs. * Motivating and relevant learning: The rich integrated digital content draws students in with engaging video stories, coaching videos, video talks on compelling topics - such as innovation, relationships, and art - and much more to build the language and skills they need. * ActiveTeach allows teachers to present in class with ease and to access all the audio and video where they need it. * The new Pearson Practice English App with QR codes takes students from page to practice, and audio and video for out-of-class practice. * Rich digital media: video conversations, video talks, media projects, and presentation skills integrated throughout for listening and speaking practice. * Specific support from Grammar Coach and Pronunciation Coach videos. * MyEnglishLab provides more intensive online practice. * Comprehensive assessment program in ExamView and MyEnglishLab.

" From the Beginning: A Comprehensive Introduction to Visual Basic Programming Schneider s "Introduction to Programming Using Visual Basic, "Tenth Edition brings continued refinement to a textbook praised in the industry since 1991. A favorite for both instructors and students, Visual Basic 2015 is designed for readers with no prior computer programming experience. Schneider introduces a problem-solving strategy early in the book and revisits it throughout allowing you to fully develop logic and reasoning. A broad range of real-world examples, section-ending exercises, case studies and programming projects gives you a more hands-on experience than any other Visual Basic book on the market. The Tenth Edition keeps the pace with modern programming methodology while incorporating current content and practices. Each chapter is rich yet concise due to the author s focus on developing chapters around crucial subjects rather than covering too many topics superficially. The amount and the range of projects provided in the text offer flexibility to adapt the course according to the interests and abilities of the readers. Some programming projects in later chapters can be assigned as end-of-the-semester projects. Personalize learning with MyProgrammingLab . MyProgrammingLab is an online learning system designed to engage students and improve results. MyProgrammingLab consists of a set of programming exercises correlated to specific Pearson CS1/Intro to Programming textbooks. Through practice exercises and immediate, personalized feedback, MyProgrammingLab improves the programming competence of beginning students who often struggle with the basic concepts of programming languages. Interactive Practice provides first-hand programming experience in an interactive online environment. Error Messages for Incorrect Answers give students immediate personalized feedback. The error messages include both the feedback from the compiler and plain English interpretations of likely causes for the incorrect answer. Step-by-step VideoNote Tutorials enhance the programming concepts presented in your Pearson textbook by allowing students to view the entire problem-solving process outside of the classroom when they need help the most. Pearson eText gives students access to their textbook anytime, anywhere. In addition to note taking, highlighting, and bookmarking, the Pearson eText offers interactive and sharing features. Rich media options let students watch lecture and example videos as they read or do their homework. Instructors can share their comments or highlights, and students can add their own, creating a tight community of learners in your class. The Pearson eText companion app allows existing subscribers to access their titles on an iPad or Android tablet for either online or offline viewing. Dynamic grading and assessment provide auto-grading of student assignments, saving you time and offering students immediate learning opportunities: A dynamic roster tracks their performance and maintains a record of submissions. The color-coded gradebook gives you a quick glance of your class' progress. Easily drill down to receive information on a single student's performance or a specific problem. Gradebook results can be exported to Excel to use with your LMS. 0134570065/9780134570068 Intro to Programming Using Visual Basic 2014 plus MyProgrammingLab with Pearson eText 10/e: Package consists of: 0134521692/9780134521695 MyProgrammingLab with Pearson eText 0134542789/9780134542782 Intro to Programming Using Visual Basic 2014 "

Het element Ken Robinson 2011-12-20 Het Element is het punt waar natuurlijk talent en persoonlijke passie elkaar ontmoeten. Als mensen in hun element zijn, zijn ze het meest zichzelf, het meest geïnspireerd en halen ze het beste uit zichzelf. Dit boek is een lofzang op de adembenemende diversiteit van menselijke talenten en passies en ons buitengewoon potentieel voor groei en ontwikkeling. Op zijn eigen bevlogen manier zet Robinson de lezer aan tot denken en inspireert hij iedereen om het Element te vinden.
