Irwin Shaw: The young Lions

Slavko Gražl 1968

The Young Lions Irwin Shaw 2013-02-26 One of the great World War II novels, this New York Times–bestselling “masterpiece” captures the experiences of three very different soldiers (The Boston Globe). Standing alongside Norman Mailer’s *The Naked and the Dead* and James Jones’s *From Here to Eternity*, *The Young Lions* is one of the most powerful American novels to tackle the Second World War. Ambitious in its scope and robust in its prose, Irwin Shaw’s work is also deeply humanistic, presenting the reality of war as seen through the eyes of ordinary soldiers on both sides. The story follows the individual dramas—and ultimately intertwined destinies—of Christian Diestl, a Nazi sergeant; Noah Ackerman, a Jewish American infantryman; and Michael Whitacre, an idealistic urbanite from the New York theatrical world. Diestl first appears as a dashing ski instructor in Austria, mouthing his loyalty to Nazi ideals. As the war progresses, Diestl’s character continues to erode as he descends into savagery. Ackerman must endure domestic anti-Semitism and beatings in boot camp before proving himself in the European theater. Eventually, as part of the liberating army, he comes face-to-face with the unimaginable horrors of the death camps. Whitacre,

trading cocktail parties for Molotov cocktails, confronts the barbarism of war, and in fighting simply to survive, finds his own capacity for heroism. Shaw's sweeping narrative is at once vivid, exciting, and brutally realistic as well as poignant in its portrayal of the moral devastation and institutional insanity of war. Penned by a master storyteller at the height of his craft, *The Young Lions* stands the test of time as a classic novel of war and the human experience. This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author's estate.

Collected Fiction Irwin Shaw 2017-10-03 Three acclaimed novels plus collected short fiction by the New York Times–bestselling author of *Rich Man, Poor Man*. *The Young Lions*: Irwin Shaw's New York Times–bestselling debut is widely considered one of the four great World War II novels, along with *From Here to Eternity*, *The Naked and the Dead*, and *The Caine Mutiny*. Ambitious in its scope and robust in its prose, this “masterpiece” is also deeply humanistic, presenting the reality of war as seen through the eyes of three ordinary soldiers: a Nazi sergeant, a Jewish American infantryman, and an idealistic urbanite from New York City (*The Boston Globe*). *Bread Upon the Waters*: No good deed goes unpunished? *The Strands* are a happy family,

though not without their financial struggles. When their daughter helps a mugging victim by bringing him home, he turns out to be a Wall Street lawyer whose gratitude is as boundless as his bank account. But with each successive “reward,” the Strand family moves farther away from the wealth of happiness they already possessed. *Short Stories: Five Decades*: Shaw’s prolific output of short stories appeared regularly in the pages of the *New Yorker* and *Esquire* for over half a century. These sixty-three stories include such iconic works as “The Eighty-Yard Run” and “The Girls in Their Summer Dresses.” *The Troubled Air*: Five employees of Clement Archer’s popular radio show are accused Communists. He will have to fire them to keep his show on the air. But it’s not a simple choice—whatever Archer decides, he won’t be able to keep his hands clean, in Shaw’s provocative classic about courage and morality at the height of McCarthyism.

Short Stories Irwin Shaw 2013-02-26 A wide-ranging fictional portrait of life in postwar America by an acclaimed New Yorker short story writer and #1 New York Times–bestselling novelist. Rich Man, Poor Man and Beggarman, Thief Irwin Shaw 2013-12-10 Two books in one: Irwin Shaw's bestselling Rich Man, Poor Man and Beggarman, Thief chronicle one family's struggle with the forces of change after WWII. In Rich Man, Poor Man, siblings Rudy, Tom, and Gretchen Jordache grow up in a small town on the Hudson River. They're in their teens in the 1940s, too

young to go to war but marked by it nevertheless. Their father is the local baker, and nothing suggests they will live storied lives. Yet, in this sprawling saga, each member of the family pushes against the grain of history and confronts the perils and pleasures of a world devastated by conflict and transformed by American commerce and culture. In *Beggarman, Thief*, the Jordache family reunites after a terrible act of violence. Wesley never really knew his father, Tom, the black sheep of the Jordache family. Driven by his sorrow and a need for justice, Wesley uncovers surprising truths about his estranged family's complicated past. blessed with good health. During a lazy 1964 summer afternoon at his son's baseball game, Ben reminisces on the triumphs and failures of his past fifty years. *The Troubled Air* Irwin Shaw 2013-04-16 New York Times Bestseller: A provocative novel about one man's struggle with courage and his conscience at the height of McCarthyism. Clement Archer, head of a popular radio show, faces a profound dilemma: Five of his employees stand accused of being communists, and a magazine threatens disclosure unless Archer fires each and every one. Despite his efforts to meet his own moral standards and avoid self-incrimination, Archer finds himself hounded from both ends of the political spectrum for his seemingly righteous actions. *The Troubled Air*, Irwin Shaw's second novel, was published immediately before the author moved to Europe,

where he lived for the next twenty-five years. The story remains a powerful portrayal of a good, decent man ensnared by the hysteria and cruelty of a dark period in American history. This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author's estate.

Lucy Crown Irwin Shaw 2013-04-16 A New York Times bestseller from an author with "a natural gift for storytelling": A mother and son are reunited years after a shattering betrayal (The New York Times). She passes through the Paris restaurant, alone, unbent, and unbroken. Lucy Crown has lived with heartbreak for long enough that it no longer shows on her face, and she's not afraid to dine in solitude. But then she sees him across the bar, full of liquor and life, looking far happier than he did the last time she saw him two decades before: Tony, her son—the one man she loved more than any other, the one she nearly destroyed. Twenty years earlier, in 1937, Lucy was an unhappily married suburban housewife, and Tony was so frail his parents were forced to hire a companion for him. When the companion caught Lucy's eye, he awoke in her a feeling of passion she thought had died long ago—leading to an act of indiscretion during a vacation in Vermont that would upend their family, and

take half a lifetime to repair. From the author of such classics as Rich Man, Poor Man and The Young Lions—an O. Henry Award winner who “always writes immensely readable books”—Lucy Crown is an unflinching look at the emotional reality of infidelity, heartbreak, and divorce that remains a testament to the power of forgiveness (The New York Times). This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author’s estate.

Trinity of Passion Alan M. Wald 2011-04-01 The second of three volumes by Alan Wald that track the political and personal lives of several generations of U.S. left-wing writers, Trinity of Passion carries forward the chronicle launched in Exiles from a Future Time: The Forging of the Mid-Twentieth-Century Literary Left. In this volume Wald delves into literary, emotional, and ideological trajectories of radical cultural workers in the era when the International Brigades fought in the Spanish Civil War (1936-39) and the United States battled in World War II (1941-45). Probing in rich and haunting

detail the controversial impact of the Popular Front on literary culture, he explores the ethical and aesthetic challenges that pro-Communist writers faced. Wald presents a cross section of literary talent, from the famous to the forgotten, the major to the minor. The writers examined include Len Zinberg (a.k.a. Ed Lacy), John Oliver Killens, Irwin Shaw, Albert Maltz, Ann Petry, Chester Himes, Henry Roth, Lauren Gilfillan, Ruth McKenney, Morris U. Schappes, and Jo Sinclair. He also uncovers dramatic new information about Arthur Miller's complex commitment to the Left. Confronting heartfelt questions about Jewish masculinity, racism at the core of liberal democracy, the corrosion of utopian dreams, and the thorny interaction between antifascism and Communism, Wald re-creates the intellectual and cultural landscape of a remarkable era.

In the Company of Dolphins Irwin Shaw 2016-08-16 Bestselling author Irwin Shaw's lighthearted travelogue follows his family's vacation sailing from St. Tropez to Venice in the 1960s. As a boy, Irwin Shaw stared out across Brooklyn's Sheepshead Bay and dreamed of owning a boat and sailing the oceans wide. Decades later, he determined that chartering a yacht was better than having no boat at all. With his wife and son, Shaw then set out to mosey about the Mediterranean, guided by a Scottish captain, his wife and daughter, and a Greek cabin boy. From St. Tropez to Naples, and across the Adriatic to Dubrovnik and up to Venice, it was the trip of a lifetime, its only fault being that, eventually, it would have to end. Written in 1964, this travel memoir is a portrait of a bygone age, when the sun-soaked Mediterranean was still emerging from the shadow of World War II and "vacation" truly meant detaching oneself from the world. Featuring cameos by legendary authors such as Françoise Sagan and James Jones, this endearing memoir is the next

best thing to a Mediterranean cruise.
