Night Slayer ID Johnson 2020-10-24 The odds are stacked against her—just how she like it.... After the Revelation, when Vampires around the world came forward and disclosed themselves to the world, the Hunters and Guardians that had fought in the shadows to defend humanity were also exposed—and hunted down, enslaved, destroyed, and sent into hiding. Jo McReynolds, the daughter of the most powerful Vampire Hunter to ever live, continues to slay bloodsuckers in the night. After the mysterious disappearance of her mother and a series of conflicts with the rest of her family, Jo is out on her own, and that's fine with her. Because she doesn't need anyone but herself. But the others need her. When her team gets a tip as to the whereabouts of the Vampire responsible for the disappearance of Jo's mom, her family wants her back. No one can kill bloodsuckers like Jo McReynolds. Saying she's sorry and coming back to the fold will be difficult, and she's not sure she even wants to go—but finding this Vampire might reveal what really happened to her mother, so Jo accepts. With Jo as part of the team, can they track down the Vampire and discover what happened to her mother? Is it possible to rid the earth of Vampires once and for all and restore the Hunters and Guardians to their former glory—or will Jo and her team end up captured or destroyed like so many of their colleagues? This new series, Blood of the Vampire Hunter, continues the story from The Clandestine Saga with some brand new characters you're sure to love and some familiar faces from the previous series. You do not need to have read The Clandestine Saga to love Blood of the Vampire Hunter. Blood of the Vampire Hunter is darker than the previous series with more intense language, gore, and some steamy scenes.

TOMORROW IS TODAY, A behavior modification methodology, guide, and workbook to manage the job search process Lawrence D. Alter This 240-page workbook is a highly effective, no nonsense, self-marketing instrument to facilitate and manage the entire job-search campaign. Contained in its pages are all the tools and information necessary to help your terminated employee win and keep their next job. Whether or not you provide Outplacement support to your separated employees, our workbook would be an excellent tool to augment their job search. It provides a complete resource to help the discharged worker achieve and keep their next position. FINDING A JOB IS HARD WORK. It has been estimated that as many as one out of every three workers attempts to change jobs annually in the United States. Out of a labor force of 153 million, that represents almost 50,000,000 job seekers who are seeking new employment each year. As a result, the job search process is highly competitive at all levels. It can be lengthy, frustrating, prejudicial, and unfair. Older, more traditional job finding techniques have become less productive. The traditional resume no longer has the same impact in generating the all important and often elusive interview. Both the Wall Street Journal and USA TODAY have highlighted the fact that only about 15% of all

professionals find a new position through responding to published advertisements or online postings, another 10% through placement agencies or search firms, and only 5% through unsolicited direct mail. Why then, would anyone focus 90% of their time and effort in areas that represent only about 30% of all potential opportunities? It is not uncommon for 200-300 people to respond to help wanted advertisements. Yet seldom do more than 6 to 10 people achieve interviews, and after an often lengthy process, only one person gets the job. Everyone else starts the whole process again. Older Americans, women, and minorities can often face an even more difficult road due to unspoken, but ever-present biases. There is a better way. Tomorrow Is Today dispels the myth that the most qualified candidate always gets the job. It points out that the person who is hired is usually the one who is liked the best. This book can be a major factor in how you differentiate yourself from other candidates when the hiring decision is almost always based upon subjective factors such as the individual's personality style, body language, and manner of being interviewed. It is an invaluable resource in helping you to achieve your next position with added features that assist in effectively managing both career growth and family issues.

College Grad Job Hunter Brian D. Krueger 1995 College students want the facts. They don't want to know how job-hunting used to be done, or how to get a job if you've been downsized. They want to know how to downplay a lack of work experience (or the summer they spent flipping burgers), how to get references from professors, how to succeed at job fairs, and how to negotiate a decent salary. This book is packed with over 200 different techniques and tactics, any one of which will make a significant impact on a job search. There are many new and fresh ideas that can be put into immediate action. No theory. No philosophy. Just down to earth information a college grad can use immediately in their job search.

Shadow Stalker ID Johnson By the time Jo is finished with her, the Vampire Queen is going to wish she was never reborn! Hot on the heels of the Vampire she holds responsible for the disappearance of her mom, Jo McReynolds will stop at nothing to find the Vampire Queen and make her pay. Her mission might be to bring her in alive for questioning, but Jo has other ideas. In order to find Holland, Jo's going to have to enlist the help of some formerly unfriendly foes. Can she harness the power of the Unsouled Vampires, as well as a Guardian turncoat to help unlock the secret of where the Vampire Queen is hiding? And when she finally faces the Red Queen, will she get answers or simply pull the trigger? This new series, Blood of the Vampire Hunter, continues the story from The Clandestine Saga with some brand new characters you're sure to love and some familiar faces from the previous series. Advances on P2P, Parallel, Grid, Cloud and Internet Computing Fatos Xhafa 2017-11-02 This book presents the latest, innovative research findings on P2P, Parallel, Grid, Cloud, and Internet Computing. It gathers the Proceedings of the 12th International Conference on P2P, Parallel, Grid, Cloud and Internet Computing, held on November 8–10, 2017 in Barcelona, Spain. These computing technologies have rapidly established themselves as breakthrough paradigms for solving complex problems by enabling the aggregation and sharing of an increasing variety of distributed computational resources at large scale. Grid Computing originated as a paradigm for high-performance computing, offering an alternative to expensive supercomputers through different forms of large-scale distributed computing, while P2P Computing emerged as a new paradigm after client-server and web-based computing and has shown to be useful in the development of social networking, B2B (Business to Business), B2C (Business to Consumer), B2G (Business to Government), B2E (Business to Employee), and so on. Cloud Computing has been defined as a "computing paradigm where the boundaries of computing are determined by economic rationale rather than technical limits". Cloud computing has quickly been adopted in a broad range of application domains and provides utility computing at large scale. Lastly, Internet Computing is the basis of any large-scale distributed computing paradigm; it has very rapidly developed into a flourishing field with an enormous impact on today's information societies, serving as a universal platform comprising a large variety of computing forms such as Grid, P2P, Cloud and Mobile computing. The aim of the book "Advances on P2P, Parallel, Grid, Cloud and Internet Computing" is to provide the latest findings, methods and development techniques from both theoretical and practical perspectives, and to reveal synergies between these large-scale computing paradigms.

Queen Catcher: Blood of a Vampire Hunter Book 3 ID Johnson Killing Vampire queens is all in a day's work for Jo McReynolds.... Now that she's got Holland trapped in a cave, killing her shouldn't be too much trouble. There's just one problem. Scott is convinced his dad and the other captured Healers are about to be killed. In order to save them, Jo and the others will have to take a huge detour back to the States. Jo doesn't know if they have time to do that or if Lucas will continue to keep an eye on Holland while they're gone. Not to mention, is she capable of taking on President Crimson and his entire force of Vampires in order to break Jamie and the other Healers out of the Capitol Building? Maybe she'll get some unexpected help from the inside the portals.... Or maybe she'll have to do it on her own. Either way, Jo needs to accomplish both missions and figure out whether or not Holland knows where her mother is because time is running out for her to find Cadence Findley alive. And by the time this mission is over, one important LIGHTS team member will be dead. This new series, Blood of the Vampire Hunter, continues the story from The Clandestine Saga with some brand new characters you're sure to love and some familiar faces from the previous series. You do not need to have read The Clandestine Saga to love Blood of the Vampire Hunter. Blood of the Vampire Hunter is darker than the previous series with more intense language, gore, and some steamy scenes. Book four, Mother Hunter, is also finished and will be available soon.

Past Hunting Jess Santoyo 2021-06-15 This book sees Daniel Hunt still seeking the answers he wants after losing his memory 5 years ago. More than that though, he now knows that he was in love and that the woman he loved was killed in cold blood, and he wants to know why. This book becomes a brutal hunt for the people that can give him answers, as well as trying to get some vengeance for her death. Daniel Hunt is still searching for answers to his past. Along the way, he stumbled across The Order, an ancient society credited for toppling Earth. His search will take him into the Badlands where a former member of the Pack Protocol has made her home. Except all is not as it seems in the small town and war is in the air. To survive the emerging forces Daniel will have to come to peace with his past. Allies will need to be found and formed. A far greater threat than anyone could have imagined approaches on the blood moon. This one's for those who need to escape reality if only for a bit, for the space lovers, and the adventure takers. Grab your MK II and hold on tight, it's about to get crazy.

The Last Coon Hunter: Book 1 of the Ryland Creek Saga Joseph Gary Crance 2017-06-14 It was a simpler time as widower Jacob Ernst struggles to raise his two young sons, Nathan and Mead, on their modest farm. They've grown up listening to the nighttime songs of hounds in the pursuit of the wily ringtail. Chasing raccoon through darkened hills, Jacob teaches his sons the legends of their hometown and a deep respect for all woodland creatures. Hunting and the lessons taught keep the Ernst family together. And the brothers bond with their dogs-loyal to one another until the end. For this is Painted Post-a storied place where the lessons of life, love, and death play out beneath its mighty oaks. But worlds collide. Evil follows the Ernst family and their hounds into these mystical hills. The scourge of the illegal drug trade, coupled with the treachery of one of their own, leads to an inevitable showdown. Some will learn that not all of Painted Post's vivid tales are pure legend, and this rugged woodland will wield its own brutal justice. For in the darkest hollows, solid bonds are forged.
